

SIDEWALK COMMITTEE

**April 3rd, 2017
7:00 PM – 7:15 PM**

1. CALL TO ORDER

2. APPROVE AGENDA

3. 2017 SIDEWALK PLAN

Recommend the City give the Property Owners the Summer to hire their own contractor to complete their sidewalk along their property for the areas that the bids were rejected on which was Bid Schedule A; West Ash from Anderson to Ohlman, Anderson from Ash going to the south to Patton Young Park and Edgerton from Ash to Cedar. City would pay for the typical expenses like fixing driveways, irrigation repairs and retaining walls. The lowest bid that was approved at the last council meeting, which was Bid Schedule B, will be the rate the city will pay for the extra concrete expenses. Also recommend to install ADA Ramps at corners of intersections as noted in Self Evaluation ADA plan to meet guidelines from Federal Highways from available budget funds left in sidewalk.

Between November 2017 to January 2018 rebid the West Ash from Anderson to Ohlman, Anderson from Ash going to the south to Patton Young Park and Edgerton from Ash to Cedar and give the contractor the summer to finish installing sidewalk in this area. Also recommend to install ADA Ramps at corners of intersections as noted in Self Evaluation ADA plan to meet guidelines from Federal Highways from available budget funds left in sidewalk.

Push Sidewalk Project that was planned for 2018 to 2019.

Committee meeting agendas are scheduled based on an estimated time of completion. If a meeting concludes prior to its scheduled time the next committee may start its proceedings early.

The City of Mitchell invites all interested parties to give oral or written comments. If special accommodations are required, please notify the Public Works Department at 995-8433 at least 24 hours prior to the scheduled meeting.”
