Due to construction at Firesteel Healthcare, Palace Transit is no longer able to pick up passengers in the parking lot. We have been asked to stop on 7th Ave and on most days there is no room for a bus to pull close to the curb so we are forced to double park (which is illegal) so Transit would like to request two temporary Palace Transit parking spots to the west of the driveway on 7th Ave at Firesteel Healthcare located at 1120 E 7th. (see google map)

Construction is expected to last until spring 2017.

Thank you for your consideration.

Subject: Traffic study 1st & Foster
Attachments: DOC091616-09162016115137.pdf

Mayor and traffic commission,

A traffic study of the intersection at 1st & Foster was completed on Thursday 9-15-16. The MUTCD standards, the study results, and the 3-year crash data report is attached. The results of the study do not warrant a 4-way stop. The crash data does not warrant a 4-way stop. The traffic volume study does indicate that Foster street is the major volume street. Normally the on a two-way stop the traffic is stopped on the minor volume street, which is opposite of what we have at this intersection. Due to the construction on 5th Ave we may want to do another study after the completion of the construction project to see if the traffic at 1st & Foster is affected at all by that project.

If traffic volumes would be close to equal we could look at option "D" for a 4-way stop. As of now we do not have equal volume traffic on both streets.

These are similar results from 2013.

MANUAL ON UNIFORM TRAFFIC CONTROL DEVICES

INTRODUCTION

Standard:

01 **Traffic control devices shall be defined as all signs, signals, markings, and other devices used to regulate, warn, or guide traffic, placed on, over, or adjacent to a street, highway, pedestrian facility, bikeway, or private road open to public travel (see definition in Section 1A.13) by authority of a public agency or official having jurisdiction, or, in the case of a private road, by authority of the private owner or private official having jurisdiction.**

X 02 **The Manual on Uniform Traffic Control Devices (MUTCD) is incorporated by reference in 23 Code of Federal Regulations (CFR), Part 655, Subpart F and shall be recognized as the national standard for all traffic control devices installed on any street, highway, bikeway, or private road open to public travel (see definition in Section 1A.13) in accordance with 23 U.S.C. 109(d) and 402(a). The policies and procedures of the Federal Highway Administration (FHWA) to obtain basic uniformity of traffic control devices shall be as described in 23 CFR 655, Subpart F.**

03 **In accordance with 23 CFR 655.603(a), for the purposes of applicability of the MUTCD:**

A. **Toll roads under the jurisdiction of public agencies or authorities or public-private partnerships shall be considered to be public highways;**

B. **Private roads open to public travel shall be as defined in Section 1A.13; and**

C. **Parking areas, including the driving aisles within those parking areas, that are either publicly or privately owned shall not be considered to be "open to public travel" for purposes of MUTCD applicability.**

04 **Any traffic control device design or application provision contained in this Manual shall be considered to be in the public domain. Traffic control devices contained in this Manual shall not be protected by a patent, trademark, or copyright, except for the Interstate Shield and any items owned by FHWA.**

Support:

05 **Pictographs, as defined in Section 1A.13, are embedded in traffic control devices but the pictographs themselves are not considered traffic control devices for the purposes of Paragraph 4.**

06 **The need for uniform standards was recognized long ago. The American Association of State Highway Officials (AASHO), now known as the American Association of State Highway and Transportation Officials (AASHTO), published a manual for rural highways in 1927, and the National Conference on Street and Highway Safety (NCSHS) published a manual for urban streets in 1930. In the early years, the necessity for unification of the standards applicable to the different classes of road and street systems was obvious. To meet this need, a joint committee of AASHO and NCSHS developed and published the original edition of this Manual on Uniform Traffic Control Devices (MUTCD) in 1935. That committee, now called the National Committee on Uniform Traffic Control Devices (NCUTCD), though changed from time to time in name, organization, and personnel, has been in continuous existence and has contributed to periodic revisions of this Manual. The FHWA has administered the MUTCD since the 1971 edition. The FHWA and its predecessor organizations have participated in the development and publishing of the previous editions. There were nine previous editions of the MUTCD, and several of those editions were revised one or more times. Table I-1 traces the evolution of the MUTCD, including the two manuals developed by AASHO and NCSHS.**

Standard:

X 07 **The U.S. Secretary of Transportation, under authority granted by the Highway Safety Act of 1966, decreed that traffic control devices on all streets and highways open to public travel in accordance with 23 U.S.C. 109(d) and 402(a) in each State shall be in substantial conformance with the Standards issued or endorsed by the FHWA.**

Support:

08 **The "Uniform Vehicle Code (UVC)" is one of the publications referenced in the MUTCD. The UVC contains a model set of motor vehicle codes and traffic laws for use throughout the United States.**

Guidance:

09 **The States should adopt Section 15-116 of the UVC, which states that, "No person shall install or maintain in any area of private property used by the public any sign, signal, marking, or other device intended to regulate, warn, or guide traffic unless it conforms with the State manual and specifications adopted under Section 15-104."**

Section 2B.06 **STOP Sign Applications**

Guidance:

- 01 *At intersections where a full stop is not necessary at all times, consideration should first be given to using less restrictive measures such as YIELD signs (see Sections 2B.08 and 2B.09).*
- 02 *The use of STOP signs on the minor-street approaches should be considered if engineering judgment indicates that a stop is always required because of one or more of the following conditions:*
- A. *The vehicular traffic volumes on the through street or highway exceed 6,000 vehicles per day;*
 - B. *A restricted view exists that requires road users to stop in order to adequately observe conflicting traffic on the through street or highway; and/or*
 - C. *Crash records indicate that three or more crashes that are susceptible to correction by the installation of a STOP sign have been reported within a 12-month period, or that five or more such crashes have been reported within a 2-year period. Such crashes include right-angle collisions involving road users on the minor-street approach failing to yield the right-of-way to traffic on the through street or highway.*

Support:

- 03 The use of STOP signs at grade crossings is described in Sections 8B.04 and 8B.05.

Section 2B.07 **Multi-Way Stop Applications**

Support:

- 01 Multi-way stop control can be useful as a safety measure at intersections if certain traffic conditions exist. Safety concerns associated with multi-way stops include pedestrians, bicyclists, and all road users expecting other road users to stop. Multi-way stop control is used where the volume of traffic on the intersecting roads is approximately equal.
- 02 The restrictions on the use of STOP signs described in Section 2B.04 also apply to multi-way stop applications.

Guidance:

- 03 *The decision to install multi-way stop control should be based on an engineering study.*
- 04 *The following criteria should be considered in the engineering study for a multi-way STOP sign installation:*
- A. *Where traffic control signals are justified, the multi-way stop is an interim measure that can be installed quickly to control traffic while arrangements are being made for the installation of the traffic control signal.*
 - B. *Five or more reported crashes in a 12-month period that are susceptible to correction by a multi-way stop installation. Such crashes include right-turn and left-turn collisions as well as right-angle collisions.*
 - C. *Minimum volumes:*
 1. *The vehicular volume entering the intersection from the major street approaches (total of both approaches) averages at least 300 vehicles per hour for any 8 hours of an average day; and*
 2. *The combined vehicular, pedestrian, and bicycle volume entering the intersection from the minor street approaches (total of both approaches) averages at least 200 units per hour for the same 8 hours, with an average delay to minor-street vehicular traffic of at least 30 seconds per vehicle during the highest hour; but*
 3. *If the 85th-percentile approach speed of the major-street traffic exceeds 40 mph, the minimum vehicular volume warrants are 70 percent of the values provided in Items 1 and 2.*
 - D. *Where no single criterion is satisfied, but where Criteria B, C.1, and C.2 are all satisfied to 80 percent of the minimum values. Criterion C.3 is excluded from this condition.*

Option:

- 05 Other criteria that may be considered in an engineering study include:
- A. The need to control left-turn conflicts;
 - B. The need to control vehicle/pedestrian conflicts near locations that generate high pedestrian volumes;
 - C. Locations where a road user, after stopping, cannot see conflicting traffic and is not able to negotiate the intersection unless conflicting cross traffic is also required to stop; and
 - D. An intersection of two residential neighborhood collector (through) streets of similar design and operating characteristics where multi-way stop control would improve traffic operational characteristics of the intersection.

CITIZENS INPUT:

City Administrator Stephanie Ellwein informed the City Council and the public that the Indoor Aquatic Center Project is located on the City of Mitchell's website at www.cityofmitchell.org under Current City Projects. Ellwein also stated that 50% of the design document is completed and bidding for the project will begin in November 2016 or January 2017.

DISCUSSION:

Veterans Park Update:

Chief of Public Safety Lyndon Overweg updated the City Council regarding the fundraising for the Veterans Park located at First Avenue and Main Street. Currently \$75,000.00 in pledges and donations have been raised to fund the \$175,000.00 park. The design of the park project can be found on the city's website at www.cityofmitchell.org, and the completion date of the project is expected to be done by Veterans Day in November 2017.

Lake Mitchell Advisory Committee-FYRA Proposal Request:

Lake Mitchell Advisory Committee member Joe Kippes presented to the City Council a recommendation to move forward and hire Fyra to complete a study on Lake Mitchell. The study consists of defining issues, gather and prepare existing data, analyze data, and to define committee goals and task. The Committee answered many questions, comments and concerns brought by the City Council about the cost and the results of the study. Kippes said the proposed study is estimated to cost the City of Mitchell \$71,000.00. City Council Members expressed to the Lake Mitchell Advisory Committee that the public is not in support of the Fyra plan.

Moved by Robinson, seconded by Rice, to approve the Fyra Proposal request as recommended. A substitute motion was made by Olson, seconded by Tjarks, to table the Fyra Proposal request, to hold a public forum at Mitchell Technical Institute, educate the public, allow people to ask questions and seek the advice of an independent consultant. Motion carried.

Airport Report August 2016

Mowing and herbicide applications were completed for the month. General maintenance including building maintenance , fencing repairs and general equipment maintenance was completed as needed. Airfield lighting repairs , runway inspections and advisories were maintained throughout the month. A battery backup unit responsible for keeping runway lighting computers operating temporarily during a power outage was replaced. The unit cost approximately \$1,000.00.

Approximately 30 ft of wildlife fencing was damaged when a vehicle slid off highway 37 and broadsided a section of fencing. The majority of fencing fabric has been repaired and replaced , with posts to be installed when time permits this fall.

The airport has reached an agreement with Davison County Equip to extend this years lease tractor hours from 200 to 250. Normally any hours over 200 would cost \$50.00 per hour. I will be working with them for a unit for 2017.

The decommissioned middle-marker “radio beacon navigational array” has been completely removed. The remaining MALSR “strobe light” located on the east side of highway 37 will remain in tact, and operational to complete the MALSR array system.

An amendment to the agricultural lease has been prepared. The purpose of the agreement will be to change the required alfalfa acreage to be permanently planted in grass for haying. The current 153 acres of alfalfa is becoming too difficult to control weeds, and negotiate verbal alfalfa rotation agreements. The proposed amendment has been approved by the City Attorney Justin Johnson, and will now go before Council for final approval.

August, 2016 - Water Dept. Report

September 2, 2016

*From: Richard Pollreisz
Water Superintendent
City of Mitchell*

*To: Tim McGannon
Director of Public Works*

The month of August was hot and dry. We did receive 3.10 inches of rain in August. On 08/29/2016, the Lake was down 11 inches from running over spillway. The lake water temperature was 75.2 degrees. The water consumption for August, 2016 was less, than in July, 2016. We didn't pump any water from Lake Mitchell during the month of August. All of the water that went to the water towers in August was from the B-Y- Rural Water System. We brought in approximately 100.836 MG. of water from the B-Y Rural Water system for the month of August. The daily average we brought in from the B-Y Rural Water System for the month of August was 3.253 MGD. The peak day, for the water we brought in from the B-Y- Rural Water System for August was 4.244 MGD. The total we pumped into the water towers (effluent) was 102.092 MG of water for the month of August. The average daily usage of water for the City of Mitchell for August was 3.293 MGD. The maximum peak day of water consumption for the month of August, was 4.329 MGD. The month of July, 2012 was the biggest month, for water we have ever taken from B-Y Water, which was 117.068 MG. We started getting water from B-Y Water, on November 4th, 2003. The chemical cost for the month of August, 2016 was \$2,813.21 or \$27.90 per MG. of water, which equates to .021 cents per unit (750 gallons). The chemical cost was more in August than in July, because we use more poly- phosphate. The chlorine residual is ok in the water towers. The south water tower chlorine residual was low a few times so we boosted it with chlorine and ammonia. We also added some chlorine and ammonia a couple of times when the B-Y water chlorine residual was low. We didn't run the Water Plant in August. When we don't run the plant we exercise everything & make sure that all the equipment works. All of the water basins are full and ready to treat water, if and when we need to. We also have some chemicals contracted with Aqua-Pure. We paid a monthly lease charge of \$250.00 for the use of the Chlorine Dioxide Generator equipment for the month of August. We renewed our chemical contract on 01/09/2015 with Aqua-Pure for two years. The contract will go from January 1st, 2015 to January 1st, 2017.

The rates will stay the same:

- Raw Water treatment rates: .255/1,000 Gals. of Raw Water.
- Poly-Phosphate treatment for B-Y Water: \$1.75/lb. of bagged chemical.
- CLo2 lease: \$250/Month.

The SCADA telemetry in the water towers is working well. When we run the water plant, we run approximately 2 to 3-hour's, every week to keep fresh water in the basins and to make sure that everything is kept in working order. This is usually done when there is no algae in the Lake. We operated the B-Y Rural Water 100% of the time in August. When we operate the plant, we run one side at 1100 gpm. We can run both sides if we need to. The only Activated Carbon we

are going to use now is the better quality Activated Carbon. This better Carbon costs more, but it does a better job for the taste and odor problem and we can use less of it. Our Filter Monitoring System is working very well. We calibrated our Turbidity Analyzers and will send a copy of the Calibration Data Sheet to Pierre quarterly to verify that we done it for the months throughout the year. There is an alarm system on the SCADA program. Most of the problems are worked out of the SCADA system. There may be some changes from time to time.

Water tests-

. TOC'S & Chlorite for August wasn't done, because we didn't operate the Water Plant.

. We still do our daily water tests as follows:

- | | |
|-------------|--------------------|
| -Alkalinity | - Total Hardness |
| - PH | - Calcium Hardness |
| - Turbidity | - Fluoride |
| - Chlorine | |

. Fluoride test for August wasn't required by the State, but we sent one sample to Pierre just to see how it compared to our fluoride tester in the Laboratory. The test came back with a good result.

. Bacteriological Tests for August-----TESTED---OK---Pierre, S.D.

. B-Y WATER tests for August – OK.

. TTHM'S and HAA5'S –sent to Pierre on 07/25/2016—the test were good and in compliance.

All our other water tests for the month of August were good and we were in compliance.

Well, that is all I have for the month of August, and I hope everyone has a good next month.

P.S. -----Attached to this letter is Lake Mitchell information and chemical costs for the month of August.

Water Distribution has been busy with:

- .Road valve boxes
- .Water Main breaks
- .Locates for Water
- .Service Calls
- .Meter upgrade
- .Meter reading
- .Fire Hydrant Repair
- .Valve Exercising

Golf & Cemetery Board Meeting

Called to order by President Kirby at 5:45 PM

**Present: Kirby, Weiss, McEntee, Reitveldt, Staff Hieb and Thurman
and Council Liaison Steve Rice**

Absent: Bertsch, Bradley, Frederickson

Public Input:

- A. Thurman reported that he had been contacted by a parent of Cross Country Runners and informed them why cross country was not being held at Lakeview.**
- B. Jeff McEntee complimented the condition and playing level of Lakeview. He had played another local course and felt that Lakeview was far superior in quality.**
- C. Parking behind cart sheds was discussed. Some people have requested use of the area. We will remove the cones for a while and see if they will use the area. It was noted that this is not a Golf Course project and we have to wait for contractors to complete the work.**

Agenda Items

- A. Motion from McEntee second from Wiess to approve minutes of June 2016 meeting. Motion carried.**
- B. 2017 Budget proposal from Thurman. Capital Outlay needs and projects were presented. City is looking at across the board department cuts to balance the 2017 budget. Capital outlay for 2017 is unlikely.**
- C. Eric gave Clubhouse report and it appears that Youth and Family categories are up for 2016. Also reported that there were 82 new members.**

Motion to adjourn by Reitveldt, Second McEntee at 6:05 PM. Motion carried no further business.

Official Lake Mitchell Advisory Committee

August 9, 2016; Mitchell Recreation Center Conference Room

Present: Mayor Toomey, Joe Kippes, John McLeod, Brian Temple, Mike Kuchera, Bev Robinson,
Nate Powell, Steve Roth, City Attorney Justin Johnson
Evan Hendershot Daily Republic

Meeting started at 3:57 p.m.

Motion Brian Temple, Second John McLeod to approve amending the July 12, 2016 meeting minutes to change the incorrectly recorded word skepticism to the correctly recorded distracted by something shiny. Motion approved and carried.

Mayor Toomey expressed frustration with the Committee with regards to a recent article appearing in the Daily Republic in which two lake committee members made comments regarding the group's progress. The Mayor stated comments from committee members Dave Allen and Chad Nemec caused him some concern and consternation, however neither were at this afternoons meeting. Mayor Toomey was concerned with Committee member Nemec's comment that the lake committee had moved on from Fyra Engineering and their proposed \$73,000 restoration plan and Committee member Allen's comment that he got tired of Fyra. Mayor Toomey informed the Committee that the group needs to be on the same page, especially when making public statements and that anyone who is done listening to possible solutions for tired of listening to Fyra may need to ask themselves if they really want to be on the Committee as the Mayor stated he has not given up on Fyra and will continue discussion with them as well accepting any suggestions addressing the lake issues. Also, the Mayor noted he had not seen any budget requests for the lake committee and was surprised to see funding requests mentioned in the newspaper article and therefore no funding requests for the lake committee will be included in the 2017 budget.

Committee Chairman Joe Kippes asked for some clarification from the mayor in regards to his concerns because the two committee members in the article were speaking on their own behalf not on the committees. Kippes also stated that normally budget requests would have been brought forth through the Park and Recreation Director, which the department was without for six months.

Park Supervisor Steve Roth noted he presented the lake committee budget request at the June 30th Park Board meeting.

Mayor Toomey stated he felt there is a breakdown of communication between himself and the lake committee and requested minutes be distributed to the committee and himself for review within a couple of days of any meeting and that the new Park and Recreation director keep him updated on what transpires in a meeting if he would be unable to attend himself. Toomey informed the Committee he will be meeting with FYRA in Omaha on August 23rd to review the core samples taken at the Lake and that he will continue communication with Fyra on their development of a plan for lake Mitchell.

Due to time constraints the Committee tabled all items on the agenda and requested a special lake advisory committee meeting be held on Tuesday, August 16, 2016 at 4:00 p.m., at the Mitchell Recreation Center Conference Room. Motion Mike Kuchera, Second John McLeod to end the meeting at 5:15 p.m. Motion approved and carried.

Agenda Item

Review August 23, 2016 meeting with Fyra – Joe Kippes gave an overview to the Committee of the August 23rd trip to Omaha to meet with Fyra Engineering to review the core sample test results that were taken this past winter. Attending this trip were Mayor Toomey, Park & Rec Director Nate Powell and Joe Kippes as well as a conference call which included Tim McGannon, Susan Tjarks, Chad Nemec and Steve Rice. Joe Kippes opened the floor for discussion on moving forward with Fyra's lake improvement plan, with a proposed fee of \$73,000 for steps 1 through three, noting the fee to be \$71,00 as the core sample tests have already been done. Mike Kuchera asked for clarification on what the 3 steps covered and expected time frame. Joe Kippes stated his understanding is the plan would cover the following: Define issues; Develop Water/Nutrient mass balance models; Determine pollutant loads; Develop water quality lake response model; Initiate community-based planning process (CBPP) and would potentially take 6-8 months maybe longer. After the completion of the first three steps the next phase would be the project formulation phase with an estimated cost between \$100,000-\$300,000, Fyra would work with stakeholder agencies and funding partners to seek out grant funding partners to identify potential grant opportunities and begin preliminary designs and cost estimates. Once this phase is completed the project would move into the final implementation or Design, Permitting and Construction Phase. The cost of this phase is unknown, however, Fyra did note they estimate the City could receive up to 60 percent of the project's funding from grants. Public Works Director Tim McGannon stated "I'm buying what Fyra is selling, the way they talk statistics and modeling they know what they are talking about and I think they are honest." Public Input - State Senator Mike Vehle, R-Mitchell stated that whatever the City Council decides people want to see results soon. It's like planning a tree, the best to plant one was 20 years ago, the second best time is now. Chad Nemec said his main concern is if we do nothing we know the end result will be, it won't be good as we will have a dead lake. After a lengthy discussion Mark Puetz made a motion to move forward with Fyra's Lake Improvement Plan steps 1-3 at a cost of \$71,000, Chad Nemec seconded the motion. Motion was approved and carried with a 5-0 vote. Yeah votes from Joe Kippes, Chad Nemec, Mike Kuchera, John McLeod and Mark Puetz. The Committee will make its formal request to the City Council at their September 6, 2016 meeting at 6:30 p.m.

Motion Chad Nemec, Second John McLeod to adjourn the special Lake Mitchell Advisory Committee meeting at 4:43 p.m., noting the next meeting of the Lake Mitchell Advisory Committee to be September 13, 2016 at the Recreation Center Conference Room at 4:00 p.m.

Official Lake Mitchell Advisory Committee – Special Meeting

August 16, 2016; Mitchell Recreation Center Conference Room

Present: Mayor Toomey, Bev Robinson, Joe Kippes, Mark Puetz, Mike Kuchera, Chad Nemec, Justin Luther, Tim McGannon, Nate Powell, Steve Roth. City Attorney Justin Johnson, Evan Hendershot Daily Republic, J.P. Skelly KORN Radio News

Meeting started at 4:00 p.m.

Public Input

The Committee addressed public input on the feasibility of making lake Mitchell water drinkable as well as concerns on cleaning up Firesteel Creek watershed. Tim McGannon stated the city does have a contract with BYwater to keep the water treatment plant running so it can be used as secondary water source should there ever be a shutdown of the BYwater pipeline. Joe Kippes noted the City does not have authority over the watershed, however, JRWD is working very hard on management programs to clean up the watershed.

Committee members Joe Kippes and Mark Puetz addressed the newspaper and expressed their frustration in the paper singling out Committee members for interviews. The Committee determined that Joe Kippes would serve as the point of contact for the newspaper. Mark Puetz informed the paper that people volunteer for the Committee at their own volition and should not be singled out to speak about the progress of the lake committee on which they sit. Noting that when the press does call committee members individually to get an opinion it is not clear what is the best approach to handle it and that is why if the press wants the opinion of the Committee they need to speak with Joe Kippes. Mayor Toomey and the Committee agreed that the Park & Rec Director Nate Powell would be the one to bring any proposals, budget requests or other information to the Mayor's attention with regards to the Lake Advisory Committee.

Joe Kippes opened the floor for discussion regarding the Omaha based engineering firm Fyra, which proposed a multi-level plan to the Committee in 2015. The Mayor informed the Committee he would be making a trip to Omaha on Tuesday, August 23, 2016 to meet with Fyra and discuss the results of the \$3,000 soil core sample of the lake taken earlier in the year. He encouraged any members of the Committee to make the trip and wait until after viewing the results and discussing the proposed \$71,000 plan from Fyra to identify the specific source of the lake's algae problems, to decide if they will support moving forward with Fyra or seek other options. Mark Puetz state he would consider their proposal if the company included potential solutions and cost estimates in the \$71,000 fee, noting he would like to see a little more as to their capabilities of engineering some water slowdown areas around the lake or holding ponds, retention ponds or things of that nature and would also like to look at their same type of services that they offered here with a plan in place by doing it from an RFP perspective so we can see other firms that are out there. Joe Kippes stated he was not certain Fyra would include an actual lake restoration plan in the proposal without spending more money for an actual lake restoration plan, but would be open to considering moving forward with them. Justin Luther noted he would be open to Fyra, however, he stated the city should ensure the \$71,000 proposal remains city property whether Mitchell selects Fyra to lead the lake restoration or not.

Chad Nemeč said he would listen to anyone with a plan to fix the lake. After much discussion the Committee agreed to support making the trip to Omaha to meet with Fyra to review the core soil sample results, discuss the proposed \$71,000 plan and look at all other information and sites provided by Fyra.

Motion Mark Puetz, Second Chad Nemeč to adjourn the special Lake Mitchell Advisory Committee meeting at 5:09 p.m., noting the next meeting of the Lake Mitchell Advisory Committee to be September 13, 2016 at the Recreation Center Conference Room at 4:00 p.m.

OFFICIAL MINUTES OF THE
MITCHELL PARK, RECREATION & FORESTRY BOARD
JULY 14, 2016

A regular meeting of the Parks and Recreation board was held on Thursday, July 14, 2016. The meeting was called to order by Ryan Tupper, President at 4:01 p.m., at the Recreation Center Conference Room.

The following members of the Board were present: Ryan Tupper, Melanie Mullenmeister, Brian Johnson, Mary Ellen Jepsen, Randy Seppala. Council Liaison: Marty Barington. Absent: Jean Koehler, Scott Kroger. Staff present: Kevin DeVries, Angel DeWaard, Steve Roth, Dan Dobesh, Mayor Toomey, City Administrator Stephanie Ellwein.

Motion Mullenmeister, Second Jepsen to approve the agenda as presented. Motion approved and carried.

Minutes of the June 9, 2016 meeting were reviewed. Motion Mullenmeister, Second Seppala to approve the June 30, 2016 special minutes. Motion Mullenmeister, Second Seppala to approve the June 9, 2016 regular meeting minutes and the June 30, 2016 special board minutes as read. Motion approved and carried.

Motion Johnson, Second Jepsen to approve the Bills as submitted. Motion approved and carried.

City Administrator Ellwein presented to the Board a handout from MSH Architects covering the new indoor pool design. It was also noted they anticipate doing bids in November 2016 and anticipate construction to begin Spring 2017.

No update available on the Rec Center feasibility study.

The Board was informed the new Park, Recreation and Forestry Director will assume his position on July 18, 2016.

No update available on the Campground lease as the City Attorney is still reviewing it.

City Administrator Ellwein reviewed three handouts with the Board consisting of the Mitchell Parks & Recreation Donor Guidelines adopted by the Park Board in 2012; Rough draft of Mitchell Aquatics Clubs donor campaign to raise funds for the new pool; Copy of the corporate sponsor pledge card for MSHA from the second sheet of ice construction. The Board held a discussion on the Mitchell Aquatics Clubs donor campaign for raising funds for the new pool expressing concerns regarding facility naming rights. The Board unanimously agreed facility naming right should be maintained by the City, however, naming rights to the competitive pool, slide, scoreboard etc., would be acceptable and the Park Board would need to approve all

donor recognition prior to installation. Ellwein will work with the Mitchell Aquatics Club to revise their donor guidelines before beginning their fundraising campaign.

Kevin DeVries reviewed the Recreation Center Report. Our summer baseball and softball program will be wrapping up July 15th. The 2nd session of tennis has begun and numbers are good, as are the Dakota Kids and Fab Fours. Todd's bikes and parks program was very success and we hope to be able to do more of that kind programming in the future. We are planning out fall/winter programs and will be getting the fall/winter brochure out shortly as we will begin taking registration for fall programs on July 19th. Jamie is doing a great job keeping the aquatic center running, overall numbers are up from a year ago this time. The Rec Center has been busy with youth athletes training with Adam and Thomas has been driving to Salem to work with their teams. We have been giving approval to get the steam room leak fixed, the company doing the work hopes to begin in October.

Steve Roth reviewed the Parks & Forestry Report. Projects we are working on or have completed are: Doing irrigation maintenance in Hitchcock and Pioneer Park; Finished the new fishing pier by the Sportsman's Club; Putting in the new ball field at Northridge Park; Hosted a swim meet at the aquatic center June 18th-19th; Removed some trees for Engineer Departments sidewalk projects; Spraying thistles and leafy spurge around town and lake; Got all parks and lake areas ready for the 4th of July and all clean up done after the July 4th fireworks; Mosquito numbers have been really low but we are still treating and standing water for larvee; Daily pool maintenance.

Dan Dobesh reviewed the Sports Complex Report. Projects we are working on:

MAC:

- Ice is ready to come out of south rink soon as sunshades are completed
- Bean bag tournament took place July 9th and 10th

Cadwell Complex:

- Sunshades arrived Monday, July 11th – will be completed by July 14th
- Half of the baseball/softball fields have been fertilized
- Press box on Field B has been repainted/re-stained
- Starting to prepare for State Amateur Tournament that begins Aug. 3rd
- Working on repainting and staining many things round the complex
- Working on irrigation sprinkler heads around the complex

Pepsi Complex:

- Daily maintenance: mowing/weed whipping/painting lines
- Sprayed most of the complex for weeds
- All of complex has been fertilized
- Working on goal mouths and high traffic areas of the fields-seeding/aerating

Parks:

- Daily maintenance: mowing/weed whipping
- Added wood chips to flower bed at Monroe
- Re-stained part of Monroe shelter
- Playground inspections completed

The Board reviewed a request, submitted by Kevin DeVries, from Ellwein Distributing to place a Bud Light sign on their current advertisement signage on the outfield fence at the stadium. The Board did not see a problem with this and noted Ellwein Distributing will need to enter into a contract with Mitchell Baseball on this as they have rights to all signage on the outfield fence.

Kevin DeVries presented a request to the Board seeking clarification on what the definition is for a "Couple" when purchasing a couple's membership to the Recreation Center. After some discussion the Board directed Kevin to check with private fitness facilities to see what their definition is for a couple's membership.

The Board reviewed a request from Kevin DeVries regarding the currently policy for youth programming ages/grades policy. Under the current policy youth who are in begindergarten within the school district can register for programs. Kevin requested the policy be changed to state that a child must be currently in kindergarten to be eligible to enroll in any offered youth programs. Motion Mullenmeister, Second Seppala to amend the current policy to state that a child must currently be in kindergarten in the school district before a parent can register them for a Park and Rec program or activity. Motion approved and carried.

There being no further business the Board adjourned at 5:12 p.m., noting Thursday, August 11, 2016 as the date of the next regular meeting of the Mitchell Park, Recreation and Forestry Board.

OFFICIAL MINUTES OF THE
MITCHELL PARK, RECREATION & FORESTRY BOARD
AUGUST 11, 2016

A regular meeting of the Parks and Recreation Board was held on Thursday, August 11, 2016. The meeting was called to order by Melanie Mullenmeister, Vice-President at 3:57 p.m., at the Recreation Center Conference Room.

The following members of the Board were present: Melanie Mullenmeister, Brian Johnson, Jean Koehler, Mary Ellen Jepsen, Randy Seppala, Scott Kroger. Council Liaison: Marty Barington. Absent: Ryan Tupper. Staff present: Nate Powell, Kevin DeVries, Steve Roth, Dan Dobesh. Even Hendershot Daily Republic.

A delegation from Mitchell Baseball represented by Dean Saddler and Luke Norden were present. Mr. Saddler and Mr. Norden presented a request to the Board to construct an indoor facility in the area of 15th Street & Hwy 37 Bypass, approximately 60x100 or 80x120 in size and location is based on the desire to have the structure close to the fields. The Board had several concerns they would like addressed before moving forward as follows: Is there any future plans for the old soccer fields?; Could the area south of the dog park be utilized for this structure?; What about joint facility use of proposed structure with soccer?; Is the requested location considered dedicated park grounds?. The Board would like to hear any thoughts the City Attorney may have on the proposed structure and location.

A delegation from DWU Women's Softball represented by Coach Ed Keiff were present. Coach Keiff submitted a request to the Board seeking permission to have a concession stand at their Fall Classic weekend softball fundraiser on September 16th – 18th at Cadwell. The concession stand would consist of a couple of fold-up tables staffed by DWU softball players during open hours and supervised by Coach Keiff and would not be utilizing the concession building. Motion Koehler, Second Kroger to approve the request by DWU Coach Keiff to have a concession stand at their Fall Classic subject to approved from the City Attorney Justin Johnson. Motion approved and carried.

A delegation represented by Mark Sturdevant were present. Mr. Sturdevant informed the Board that in 2002 money was donated for a flag pole/plaque in memory of Gary Peters and he would like permission to remove it donate to the family as it currently sits on the old soccer fields at Cadwell which are not utilized. Board member Johnson stated he would like to see the flag pole/plaque remain with park and rec. Dan Dobesh recommended moving it out to the Pepsi soccer complex with a Mitchell flag placed on it. Mr. Sturdevant was alright with the idea as long as it is being utilized.

Additions or deletions: Hockey signage

Motion Koehler, Second Johnson to approve the agenda as presented. Motion approved and carried.

Minutes of the July 14, 2016 meeting were reviewed. Motion Johnson, Second Koehler to approve the July 14, 2016 minutes as read. Motion approved and carried.

Motion Seppala, Second Jepsen to approve the Bills as submitted. Motion approved and carried.

No update available on the Pool.

Due to 3 proposals being received from companies less than 48 hours prior to Board meeting the Board requested the Director Powell to schedule a work session in which the Board can review and discuss all 3 proposals.

Director Powell informed the Board he had just received a copy of the current campground lease and would have a proposal ready for the September meeting.

The Board was informed the City Attorney is reviewing the fundraising guidelines and will be invited to the work session for further discussion.

Kevin DeVries reviewed the Recreation Center Report. Summer programs are wrapping up. Jamie and Todd and their staff did a great job this year and already coming up with some good ideas for next year. We are currently taking registration for Youth football and fall soccer. The outdoor aquatic center's last day is August 23rd and we will have final numbers on participation at next month's meeting. Thomas and Adam have been busy working with a wide range of kids getting them ready for the upcoming school year. Thomas is working on a fitness theme for the Rec Center with some new classes he would like to start. We have hired a woman who will begin teaching evening aquasize classes in September. We are working on getting some quotes for our fitness equipment and are looking at leasing it starting in 2017.

Steve Roth reviewed the Parks & Forestry Report. Projects we are working on or have completed are: Finished the construction of the new ball field at Northridge Park; Took out the east diamond in Hitchcock Park; Moved and removed some irrigation sprinklers for the new tennis courts; Completed our stump removal project from the trees that we cut down last winter; Doing some irrigation maintenance; Painted the inside of both restrooms in Hitchcock Park; Seasonal staff repainted all the wood picnic tables and benches in the parks; Repainted the block walls at the Sportsman's Club and trim around the doors; Daily maintenance at the pool; Put up new reservation boxes in picnic shelters; Spraying weeds along fence lines and in cracks of sidewalks and bike trails; Repaired some post and cable around the lake; Helped Dan's crew by hauling out ice from the south rink.

Dan Dobesh reviewed the Sports Complex Report. Projects we are working on:

MAC:

- Held bean bag tournament early July
- Waiting on estimates for energy efficiency testing in south rink

Cadwell Complex:

- Prepped Cadwell Stadium for state amateur tournament
- Fertilized all fields for second time
- Minor tree trimming
- New post being made for sunshades (estimated for 3rd week of August)
- Replaced old ropes/cables in batting cage to raise and support the net
- Co-ed softball has started

Pepsi Complex:

- Daily maintenance mowing/weed whipping/painting lines
- Seeded centers of fields 3,4,5 as well as goal mouths
- Sprayed growth regulator on all fields to slow grass growth and promote root growth
- Teams have started practicing

Parks:

- Daily maintenance: mowing/weed whipping
- Minor tree trimming

Dan Dobesh presented to the Board an example of the signage that the Hockey Association would like to place on the front of the building. The Board did not see an issue with this so long as it below the current City signage.

The Board reviewed a letter from the Rural Office of Community Service. Dan Dobesh pointed out that there is not estimate given for an energy audit and that he is trying to move as quickly as possible on a solution as there is a short time frame in which the new rink interior roof issue has to be rectified. Board Member Mullenmeister informed the Board she would contact Mark Puetz to find out if there are any other options and also any better options for an energy audit.

Director Powell informed the Board he was approached by Scott Houwman regarding placing signage at the tennis courts for Avera sports for their donation. Board Member Mullenmeister expressed frustration with this in light of the tennis associations need to have fund raising options available for the new tennis courts and she would speak with Mr. Houwman regarding the signage he is requesting be placed.

The Board was informed by Director Powell that he had been approached by Mike Kuchera requesting to have a 4'x8' sign on rock pillars with the Celia Kelly pine forest story included at a cost of \$470 paid for by the City. Motion Johnson, Second Jepsen to approve the purchase as placement of the sign as requested. Motion approved and carried.

There being no further business the Board adjourned at 5:07 p.m., noting Thursday, September 8, 2016 as the date of the next regular meeting of the Mitchell Park, Recreation and Forestry Board.

OFFICIAL SPECIAL MINUTES OF THE
MITCHELL PARK, RECREATION & FORESTRY BOARD
AUGUST 25, 2016

A special meeting of the Parks and Recreation Board was held on Thursday, August 25, 2016. The meeting was called to order by Ryan Tupper, President at 3:59 p.m., at the Recreation Center Conference Room.

The following members of the Board were present: Ryan Tupper, Melanie Mullenmeister, Brian Johnson, Mary Ellen Jepsen, Randy Seppala. Absent: Jean Koehler, Scott Kroger. Council Liaison: Marty Barington. Staff present: Nate Powell, Kevin DeVries, Angel DeWaard, Steve Roth, Dan Dobesh. Also present Evan Hendershot Daily Republic Newspaper

Board President Tupper gave a quick overview of the work session that took place on August 18, 2016 in which Board members reviewed three Rec Center management plan proposals from the following companies: Counsilman-Hunsaker, project designers for the \$8 million aquatic facility, estimated cost of \$30,000, which is \$5,000 more than an original estimate; PROS Consulting estimated cost of \$64,960; GreenPlay LLC estimated cost \$37,500-\$95,000. Tupper explained the purpose of the \$30,000 plan is to look at the Rec Center structure and figure out a plan for when there is another structure attached. The study would answer what the best options are for the building moving forward when the aquatic center is added. Board member Johnson noted he liked the PROS Consulting plan but stated "Why would we want to reinvent the wheel on this when Councilman-Hunsaker already knows it. Johnson also noted he ruled out the proposal from GreenPlay due to the wide-ranging cost estimates, stating "In my view it looks really spendy." After some more brief discussion Motion Johnson, Second Seppala to move forward with presenting the \$30,000 Rec Center management plan from Counsilman-Hunsaker to the City Council for final approval. Motion approved and carried.

Board President Tupper reiterated to the Board that the Parks and Recreation Department has also requested funding to complete similar studies for a master plan for parks and will in next year's budget will be utilizing that line items funding for such proposals.

Vice-President Mullenmeister gave a brief overview of a proposal from Scott Houwman to place an Avera Sports sign at the Hitchcock Park tennis courts. It was noted that there is a similar sign placed at Cadwell stadium, however, Dan Dobesh sports complex supervisor could not state for certain if permission was ever given for the placement of the sign. Board member Johnson reminded the Board that the City Council gave \$125,000 toward the new tennis courts while Avera donated \$10,000 to support the project. Park & Rec Director Powell stated he would meet with Mr. Houwman on the proposed signage.

There being no further business the Board adjourned at 4:10 p.m., noting Thursday, September 8, 2016 as the date of the next regular meeting of the Mitchell Park, Recreation and Forestry Board.

**CITY OF MITCHELL
CITY PLANNING COMMISSION
MINUTES, September 12, 2016**

NOT APPROVED

Call to Order: Chairman Larson called the September 12, 2016 City Planning Commission meeting to order at 12:00 pm in the Council Chambers, City Hall, Mitchell, SD.

Members Present: Larson, Everson, Griffith, Meyers, Molumby, Schmucker, and Allen

Members Absent: Fergen

Others Present: Mayor Toomey, Justin Johnson, Terry Johnson, Lyndon Overweg, John Hegg, Stephanie Ellwein, and Neil Putnam

Agenda: Motion by Everson, seconded by Griffith to approve the September 12, 2016 as presented. All members present voting aye, motion carried.

Minutes: Motion by Molumby, seconded by Everson to approve the minutes of the August 22, 2016 meeting. All members present voting aye, motion carried.

Next Meeting: Motion by Everson, seconded by Griffith to schedule the next meeting for September 26, 2016. All members present voting aye, motion carried.

Variance: Shane Snyder has made an application for a backyard variance of 2 ft vs 25' feet and a sideyard variance of 2' vs 3' as required for construction of two attached garages at his property legally described as S 82' of Lots 11 & 12, Block 14, Rowley's 2nd Addition, City of Mitchell, Davison County, South Dakota (503 N. Duff St). Zoned R4.

The public notice was published in the *Mitchell Daily Republic* on September 2, 2016 and letters to the neighboring property owners were sent September 1, 2016.

Mr. Snyder was present to answer questions and provide testimony in regards to his application. He stated that he has removed an older garage that was in need of repair. The property has been a duplex since the 1940s' and he said that in order to remain competitive in the rental business, garages are necessary. He was aware of his neighbor to north concern about drainage. He will route the water to the streets and award from the residences. The applicant provided the commission an explanation about his stairwells and why he is limited to space. He also said the location of his utilities also limits his option.

Margaret Spensley (neighbor to north) was present. She stated that Mr. Snyder and her have talked about drainage. She asked about the location of the building from her fence. Snyder responded about "54 inches".

Meyers noted the unique situation with this historic home, therefore he can understand the hardship.

Motion by Meyers, seconded by Molumby to recommend the variance be approved with the condition the drainage be reverted appropriately and according to the applicant's representation. Roll Call: Larson aye, Meyers aye, Molumby aye, Griffith aye, Everson no, Schmucker no 4 ayes 2 no; motion carried.

Plan Approval: American Family Insurance, 708 N. Sanborn Blvd (HB & TWC Districts). The commission reviewed the submitted material and asked some questions. Hegg informed the commission about the location of utility lines that prevent posts being placed in the ground. Motion by Molumby, seconded by Griffith approve the plans. All members present voting aye, motion carried.

Plan Approval: Justin Thiesse presented plans for construction of garage buildings at his apartment complex located at 1701 N Main Street, zoned HB. His plan indicated the location of various utility lines. He told the commission about a 50' easement that is on his northern border and is his only entrance. Motion by Everson, seconded by Griffith to approve the building plans. All members present voting aye, motion carried.

Planned Development Amendment: (Discussion Only). Bob Mueller of Mueller Lumber Co, was present to talk about an amendment to the PUD known as Mueller Lumber Morningview Subdivision. The amendment rezones 9 lots, which he recently acquired from R2 to the PUD and he is proposing some construction standards be part of his district. He mentioned having the proposed standards in the ordinance to protect his development and provides more control by the building department. The commission will hold a hearing on the amendment at their next meeting. No action taken.

Planned Development Amendment (Discussion Only): Woodland Heights Planned Development (Ethan Lumber) would like some amendments to their PUD. Representatives of Ethan Lumber were not present. Putnam explained the draft ordinance, which proposes to change the lot dimensions and square footage standards in Subarea A and Subarea C. The commission has some reservations and would like Ethan Lumber to come to the next meeting to discuss this proposed amendment. No action taken.

Plat: Lot 12 & 13 in the Replat of Tract A Wild Oak Golf Club Addition to the City of Mitchell, Davison County, SD. Putnam indicated this follows the master plan and noted the cart path is platted as a separate parcel. Motion by Everson, seconded by Molumby to approve the plat. All members present voting aye, motion carried.

Plat: A Plat of Portions of Block 2, Block 3, Block 7, Block 8 and Block 9 of CJM Second Addition, and portions of Michael Avenue, Livesay Lane and Jamaica Street, All in the NW ¼ of Section 32, T 104 N, R 60 W of the 5th P.M., City of Mitchell, Davison County, SD. This plat was reviewed by the city planning commission and city council before; however, since that time the property was annexed by a footage description. This plat is to identify the blocks when the lots get platted in the future. Motion by Molumby, seconded by Everson to approve the plat. All members present voting aye, motion carried.

Plat: A Plat of Lot 8 of CJM Second Addition in the NW ¼ of Section 32, T 104 N, R 60 W of the 5th P.M., City of Mitchell, Davison County, SD. The lot appears to follow the master plan. Motion by Everson, seconded by Griffith to approve the plat. All members present voting aye, motion carried.

Plat: A Plat of Lot X-1, Square 19, A Subdivision of Portions of Lot X of Square 19 and the West ½ of Vacated South Lawler Street, All in Weaver's Squares, City of Mitchell, Davison County, SD. This is to accommodate the identification of new apartments being constructed with TIF # 22. Motion by Molumby, seconded by Griffith to approve the plat. All members present voting aye, motion carried.

Chairman Larson adjourned the meeting at 12:45 pm.
