City Council issue that you are commenting on: Recycling

Comment for City Council: Dependable is a joke. Equipment in horrible condition. They disobey traffic laws on a daily basis. Driving wrong way down a one way, crossing the center to the opposite curb on two way streets or stopping dead center in road. I have pointed this out to Lyndon in the past and he is aware and talked to them. They take corners overly wide causing traffic to swerve to avoid them too. That is how that young man was killed a few years ago in a collision with them. Use our local company!

City Council issue that you are commenting on: Recycling Services

---

Comment for City Council: First, I want to say that I am very glad to see Mitchell have a recycling service and I would hate to see it go away completely. However I do think there are a couple of things that could change for the better. When we built our new home in 2008, it was not made clear to me that recycling services were available. When I inquired with the city about it a couple of years later we were told to call someone else to request a bin be brought out. I think it should be made immediately available to people who are activating new water and garbage service or to those transferring into a new home. Especially if you are forced to pay the monthly fee whether you opt to use it or not. As far as the size of container, we fill up our small blue bin within a couple of days, so having the larger 90 gallon container with a lid would be great. We do not recycle much other than cardboard but I could see where it would be a hassle to have to sort everything prior to it being in the bin. Perhaps a new sorting facility in Mitchell would provide for more jobs and better services to the community. I would also be interested to know where you can recycle larger items such as old appliances, TVs and electronics, and things of that nature. I think if we took the time to really plan this out and have good communication between the residents of Mitchell and the city we could make something really good out of this. Thank you for having a place like this online form to give input on issues like this.

Comment for City Council:	The current recycling service is at least something, but if we could find another service that took more items and offered a heavier container, that would not blow away, and comparative pricing, let's go for it.

Comment for City Council:	I am very excited for the prospect of a new vendor to handle the recycling. We have a family of 4 and there are a lot of times we have too much recycling to fit in our bins. I would welcome the larger container not only for the additional space, but it is also covered which would help in the wind and rain. There are times we currently don't put items out because it is too windy or rainy. You also have to worry about the empty bins blowing away after recycling is picked up. I also feel like Dependable Recycling does not educate the public enough about what they do and do not accept. I have seen them put items they say they accept in our trash bin. I have also come home to boxes stacked on top of our trash that should have been taken by them so now our garbage lid is open and things are blowing down the street. The larger closed containers will eliminate items from ending up on the street or in people's yards. There is also the privacy issue. Everyone who drives by can see what you ate, drank, and bought. Closed containers will help that as well. I hope that you choose Petrik Sanitation for the recycling vendor. I think a larger, closed container will be welcomed by those who do recycle. 90 gallons is probably a bit much but I don't feel that 30-60 would be excessive at all.

Comment for City Council:	Please, please use the larger containers that all recycling materials go into. We moved from the Twin Cities where we had that type of recycling program. It was so easy. Now, with the little blue bin, recycling is too difficult and hardly worth the effort. Thanks

City Council issue that you are commenting on: Recycling contract

Comment for City Council:

I'm urging the Mitchell City Council to award the curbside, single-stream recycling contract to Petrik Sanitation of Mitchell. 1. All recyclables may be placed in a container with a lid, picked up and sorted out of town. If any items are rejected during sorting they stay out of town AND out of the Mitchell Regional Landfill. 2. The containers used by the current provider, Dependable Sanitation of Aberdeen, are too small to accommodate larger amounts of recyclables and lack covers which allow the material to be strewn by a strong wind. 3. It's been my experience that a number of plastic items I rinsed and placed in the bin were rejected and ended up in the Mitchell Regional Landfill. That begs the question whether recycling is in fact falling short of expectations in extending the life of the landfill. 4. It's been brought up by council members that a larger container is burdensome to "senior" residents. I'd like to remind the council the same argument was used when the city switched to automated garbage collection and therefore is moot. 5. I do recall a concern brought to the council by Dakota Wesleyan University regarding recycling was met with a less than enthusiastic response from Dependable Sanitation. 6. Recent concerns brought to the city council regarding out of town vendors winning bids over local businesses plays into this contract as well. The current low-bidder for single-stream recycling with larger containers is Petrik Sanitation of Mitchell, versus no bid from Dependable Sanitation of Aberdeen. Here's an opportunity to keep the business local and dollars in our community. 7. I was disturbed by Ward Four Councilor Susan Tjarks comments during the January council meeting where she stated she favored staying with Dependable Sanitation without giving the matter further study. I hope the remainder of the council takes the time to study the issue with an open mind to all opinions and leave out personal bias in making a decision.

**CONSIDER APPROVAL:**

Discussion took place with City Council members concerning the Gas & Fuel Quotations. Tom Meyers, Meyers Oil questioned the bidding process that the City of Mitchell uses for quoting fuel bids. City Attorney Justin Johnson said that under state law it is not permitted to award the bids to vendors that would match the lower price quotes.

Recently Country Pride Cooperative was unable to fulfill their fuel quotation with the City of Mitchell due to a shortage of fuel in the area. The City Council would like further discussion in the future.

Moved by Robinson, seconded by Rice, to approve Item “f” with Allen voting nay. Motion carried.

## Airport Report December 2016

Snow removal operations were completed for the month. All equipment received regular scheduled maintenance , repairs and inspections. Airfield lighting repairs , inventories , runway inspections and winter weather advisories were maintained throughout the month. General building maintenance and cleanup was completed as needed. The airport may join a petition along with several other airports in an attempt to roll back some of the ridiculous changes the FAA has made to the NOTAM system. Many of these are now in question and unrealistic. The issuance of of runway related advisories used to take a few minutes for average conditions. Now a staggering 15-20 minutes depending how well the briefer understands the new regulations. Scott Dorwart , from the Kimball area has expressed interest in the old terminal building. He would like to make a few improvements to the building and establish operations for his aerial photography and a flight training school. The City attorney is working on a lease agreement. He hopes to be up and running by early spring.

## December, 2016 - Water Dept. Report

January 4, 2017

*From: Richard Pollreisz  
Water Superintendent  
City of Mitchell*

*To: Tim McGannon  
Director of Public Works*

The month of December was colder. We had some rain and snow. We received 1.25 inches of rain in December, 2016. On 12/27/2016, the Lake was down 3.0 inch from being full and frozen. The water consumption for December, 2016 was about the same as November, 2016. We didn't pump any water from Lake Mitchell during the month of December, 2016. All of the water that went to the water towers in December was from the B-Y- Rural Water System. We brought in approximately 41.847-MG. of water from the B-Y Rural Water system for the month of December, 2016. The daily average we brought in from the B-Y – Rural Water System for the month of December, 2016 was 1.35 MGD. The peak day, for the water we brought in from the B-Y- Rural Water System for December, 2016 was 1.496 MGD. The total we pumped into the water towers (effluent) was 42.831 MG of water for the month of December, 2016. The average daily usage of water for the City of Mitchell for December, 2016 was 1.38 MGD. The maximum peak day of water consumption for the month of December, 2016 was 1.592 MGD. The month of July, 2012 was the biggest month, for water we have ever taken from B-Y Water, which was 117.068 MG. We started getting water from B-Y Water, on November 4<sup>th</sup>, 2003. The chemical cost for the month of December, 2016 was \$1,400.00 or \$33.46 per MG. of water, which equates to .025 cents per unit (750 gallons). We didn't run the Water Plant in December, 2016. When we don't run the plant we exercise everything & make sure that all the equipment works. All of the water basins are full and ready to treat water, if and when we need to. We also have some chemicals contracted with Aqua-Pure. We paid a monthly lease charge of \$250.00 for the use of the Chlorine Dioxide Generator equipment for the month of December, 2016. We renewed our chemical contract on 01/09/2015 with Aqua-Pure for two years. The contract will go from January 1st, 2015 to January 1st, 2017. The Contract is due to be renewed.

The rates will stay the same:

- Raw Water treatment rates: .255/1,000 Gals. of Raw Water.
- Poly-Phosphate treatment for B-Y Water: \$1.75/lb. of bagged chemical.
- CLo2 lease: \$250/Month.

The SCADA telemetry in the water towers is working well. When we run the water plant, we run approximately 2 to 3-hour's, every week to keep fresh water in the basins and to make sure that everything is kept in working order. This is usually done when there is no algae in the Lake. We operated the B-Y Rural Water 100% of the time in December, 2016. When we operate the plant, we run one side at 1100 gpm. We can run both sides if we need to. The only Activated Carbon we are going to use now is the better quality Activated Carbon. This better Carbon costs more, but it does a better job for the taste and odor problem and we can use less of it. Our Filter Monitoring System is working very well. We calibrated our Turbidity Analyzers and will send a

copy of the Calibration Data Sheet to Pierre quarterly to verify that we done it for the months throughout the year. There is an alarm system on the SCADA program. Most of the problems are worked out of the SCADA system. There may be some changes from time to time.

Water tests-

. TOC'S & Chlorite for December, 2016 wasn't done, because we didn't operate the Water Plant enough.

. We still do our daily water tests as follows:

- |             |                    |
|-------------|--------------------|
| -Alkalinity | - Total Hardness   |
| - PH        | - Calcium Hardness |
| - Turbidity | - Fluoride         |
| - Chlorine  |                    |

. Fluoride test for December, 2016 wasn't required by the State, but we sent one sample to Pierre just to see how it compared to our fluoride tester in the Laboratory. The test came back with a good result.

. TTHM'S & HAA5'S are due to be done in January, 2017.

. Bacteriological Tests for December-----TESTED---OK---Pierre, S.D.

. B-Y WATER tests for December – OK.

All our other water tests for the month of December, were good and we were in compliance.

Well, that is all I have for the month of December, and I hope everyone has a good next month.

P.S. -----Attached to this letter is Lake Mitchell information and chemical costs for the month of December.

Water Distribution has been busy with:

- . Road valve boxes
- . Locates for water
- . Service calls
- . Meter upgrade
- . Meter reading

Agenda Item:

Explanation/Background of Agenda Item Requested:

Set Bid Date of Tuesday, January 31, 2017 at 1:30 PM at City Hall, Mitchell. City Project 2017-11.

Council agreed to fund 50% of 20th Avenue as though it was assessed since the City owned 50% of the adjacent property. A county TIFD by Chuck Mauszyki will pay the remainder of the project. However, since Chuck M. has paid for the Sewer and water already, the City may fund all of this Storm Sewer as part of our 50% of all Water, Sewer, Storm Sewer, Curb and Gutter and Paving. Total of all the project is estimated at approximately \$340,000 and 50% is therefore \$170,000 (Estimated). City will also fund all or part of paving and Curb and Gutter to make up City's share. City funding will come from the Supplemental Appropriation of unspent funds mentioned above (used to build the pond adjacent to this project) as well as a portion of Storm Sewer funds budgeted in 2017, as well as a portion of Paving funds budgeted in 2017.

Agenda Item:

Explanation/Background of Agenda Item Requested:

The City received four competitive bids for the construction of the indoor aquatic center. The base bids ranged from \$7,249,000- \$7,617,500.

Our recommendation is to approve the bid received from Puetz Corporation's Base bid plus alternatives 1, 2, 3, 5, 6, 7, and 8. This would bring the total for the contract award to \$7,429,500. We are recommending rejecting alternative 4 and alternative 9.

The two alternatives that would not be accepted would be the larger slide and the sound baffles, due to cost considerations. The Indoor aquatic center would still include the drop slide in the leiruse pool, and still includes the ability to add the larger slide if funding could be identified prior to construction being completed (or it could be added at a later date). The City is estimating approximately \$629,415 in professional & testing fees, and has identified \$35,465 in contingency for the project as well. This would bring the total projected cost of the project to \$8,094,380.

The recommended contract award to Puetz in the amount of \$7,429,500 includes \$35,500 for storm sewer improvements. The storm sewer improvements would be funded with storm sewer funds. The base bid for the project includes surface drainage, and addresses the requirements for the construction of the aquatic center. Bid Alternative #8 (funded out of storm sewer) would allow the city to resolve existing storm drainage concern in the area. By including this alternative in the project, we can address the existing storm drainage concern while the area is already under construction. When \$35,500 of storm sewer funds are added to the approved pool funding of \$8,058,880 it brings the total identified revenue to \$8,094,380, matching the proposed costs outlined above.

The above recommended bid award is only accurate if alternatives 1, 2, 3, 5, 6, 7,

and 8 are selected. If the Council chooses to change any of these proposed alternatives, that could also change the low bidder the contract will be awarded to due to the competitiveness of the bids that were received. We cannot confirm the low bidder until the Council first confirms which alternatives will be agreed to.

City Council  
C/O Mayor Jerry Toomey  
City of Mitchell, South Dakota

RE: Mitchell Recreation Center Indoor Aquatics  
1300 North Main St Mitchell, SD 57501

Honorable Mayor and City Council Members,

IT IS MY PLEASURE TO ANNOUNCE THAT COMPETITIVE BIDS WERE SUCCESSFULLY RECEIVED ON DECEMBER 22, 2016 at 3:30pm.

On your behalf, we opened and read four bids from four pre-qualified construction firms; each containing the appropriate bid bond and acknowledgement of all 4 addenda.

As you know, we received bids for a base project that was specifically defined to achieve a basic project that would be achievable with the approved funds; and then included alternates for additional desirable elements, with the understanding that not all items would likely fall under the funding cap.

After discussion with the Owner's executive design team members, I recommend that you accept as many items as will fall within your budget. This would be as follows: Base bid plus alternates 1, 2, 3, 5, 6, 7 and 8 for a total contract amount of \$7,429,500; with the successful bidder being Puetz Corporation.

With your formal approval, I am prepared to draft this contract for your use. I and the entire team at MSH Architects look forward to the upcoming construction phase of the work.

Respectfully,

understood that the final starting times or formats of the events will not be changed ahead of the pre-scheduled times without notice being given to the Director or other designated contact. Director (or Director's assigned designee) shall have authority to delay the start of any event or play as needed to protect the Golf Course from damage by inclement weather conditions. Director shall make every reasonable effort to minimize any delay, but shall have the sole discretionary authority to designate the time for commencement of play upon the Golf Course whenever inclement weather conditions justifies delay.

15. MANAGER SHALL BE AN INDEPENDENT CONTRACTOR AS TO ALL ASPECTS OF THIS AGREEMENT AND NO EMPLOYER/EMPLOYEE RELATIONSHIP, EXPRESS OR IMPLIED, SHALL ARISE BETWEEN CITY AND MANAGER FROM THIS AGREEMENT. Manager acknowledges that in regard to the operation of the Clubhouse, he is expected to cooperate with the Director, Lakeview Golf Course Board, and City and shall abide by City requests whenever possible. The executive officer of the City for purposes of this Agreement shall be the Mayor (or the Mayor's designee). Manager shall be responsible to ensure that proper procedures are observed and used in respect to the dispensing of petroleum products. Manager or his staff will also pick range baskets up as needed during times of heavy use to ensure that patrons have baskets and balls for their range use at the dispenser. SDGA event players will be given two (2) tokens per day for use if they request range use during a SDGA tournament. Open or free range use shall not be allowed for any group other than Mitchell High School golf teams. Manager is to notify Director if any School team has used the range heavily and the range subsequently needs picking. School Golf Teams are to assist in picking balls after heavy use to ensure that patrons wanting to use the range after them have adequate balls for use. It is understood that they just pick enough balls for customer use after them for what would be considered normal evening or weekend usage. It will be the Manager's duty to ensure that the practice ball dispenser level is adequate for anticipated usage needs and resupply balls until the City can pick the range of all practice balls.
21. Manager shall keep accurate records of gift certificates issued to the patrons of the Clubhouse; and upon final termination of the Manager's operation of the Clubhouse, Manager shall deposit with the City the cash equivalent of all valid unredeemed gift certificates and an accounting of outstanding certificates. The payments shall be based on the ratio of the total of all sums charged (minus any penalties and interest) in proportion to the sum of the City business charged. The City shall not be obligated to make any such reimbursement in regard to any expense record presented to the Director or City Finance Officer after December 31<sup>st</sup> of each contract year.

AGREEMENT NO. \_\_\_\_\_

**MAINTENANCE AND FINANCIAL AGREEMENT  
BETWEEN  
SOUTH DAKOTA DEPARTMENT OF TRANSPORTATION  
AND  
CITY OF MITCHELL**

This Agreement is made and entered into by and between the State of South Dakota, acting by and through its Department of Transportation, referred to in this Agreement as the "STATE," and the city of Mitchell, South Dakota, referred to in this Agreement as the "SPONSOR."

**BACKGROUND:**

- A. The SPONSOR wants the STATE to let an airport pavement maintenance project on the **Mitchell Municipal Airport** as a part of Project Number **3-46-4600-22-2016**, referred to in this Agreement as the "Project."
- B. The STATE will construct the Project, including pavement maintenance.

**THE STATE AND THE SPONSOR MUTUALLY AGREE AS FOLLOWS:**

- 1. The STATE will advertise, let to contract, award, and be the contracting party for the Project.
- 2. The STATE will bill the SPONSOR for final Project costs based on the amount of work completed and accepted, and the SPONSOR will make said payments to the STATE within thirty (30) days of billing. Actual costs will be based upon bids and final quantities.
- 3. The SPONSOR will reimburse the STATE five percent (5%) of the actual and final costs of the total Project. The estimated cost of the SPONSOR'S share of the Project is Eleven Thousand, Six Hundred Twenty-eight Dollars and Ninety Cents (**\$11,628.90**).

- 7. If the SPONSOR expends Seven Hundred Fifty Thousand Dollars (\$750,000) or more in federal funds during any SPONSOR fiscal year covered, in whole or in part, under this Agreement, the SPONSOR will be subject to the single agency audit requirements of the U. S. Office of Management and Budget (OMB) Circular regulations, found at 2 CFR Part 200 Subpart F. If the SPONSOR expends less than Seven Hundred Fifty Thousand Dollars (\$750,000) in federal funds during any SPONSOR fiscal year, the STATE may perform a more limited program or performance audit related to the completion of Agreement objectives, the allowability of services or costs and adherence to Agreement provisions. The CFDA Number for funds used under this Agreement is 20.106.
- 8. This Agreement depends upon the continued availability of appropriated funds and expenditure authority from the Legislature for this purpose. If for any reason the Legislature fails to appropriate

funds or grant expenditure authority, or funds become unavailable by operation of law or federal funds reductions, the Agreement may be terminated by the STATE. Termination for any of these reasons is not a default by the STATE nor does it give rise to a claim against the STATE.

9. The SPONSOR certifies, to the best of the SPONSOR'S knowledge and belief, that: No Federal appropriated funds have been paid or will be paid, by or on behalf of the SPONSOR, to any person for influencing or attempting to influence an officer or employee of any agency, a member of Congress, an officer or employee of Congress, or an employee of a member of Congress in connection with the awarding of any Federal contract, the making of any Federal grant, the making of any Federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of a Federal contract, grant, loan, or cooperative agreement. If any funds other than Federal appropriated funds have been paid or will be paid to any of the above mentioned parties, the SPONSOR will complete and submit Standard Form LLL, "Disclosure Form to Report Lobbying," in accordance with its instructions.

The SPONSOR will require that the language of this certification be included in the award documents for all subawards at all tiers (including subcontracts, subgrants, and contracts under grants, loans, and cooperative agreements) and that all subrecipients will certify and disclose accordingly. This certification is a material representation of fact upon which reliance was placed when this transaction was made or entered into. Submission of this certification is a prerequisite for making or entering into this transaction imposed by section 1352, title 31, U.S. Code. Any person who fails to file the required certification will be subject to a civil penalty of not less than \$10,000 and not more than \$100,000 for each such failure.

10. The SPONSOR certifies, by signing this Agreement, that neither the SPONSOR nor the SPONSOR'S principals are presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in this Agreement by any federal department or agency.
11. In accordance with Executive Order 13513, Federal Leadership on Reducing Text Messaging While Driving, October 1, 2009, and DOT Order 3902.10, Text Messaging While Driving, December 30, 2009, the SPONSOR is encouraged to:
  - A. Adopt and enforce workplace safety policies to decrease crashes caused by distracted drivers, including policies to ban text messaging while driving when performing any work for or on behalf of the federal government, including work relating to a grant or subgrant.

The Mitchell Baseball Association is presenting a follow-up proposal to the City to build an 80' X 120' structure on City property to be used as an indoor baseball training facility.

Mitchell Baseball and the Parks and Rec Department are asking the Council to approve the original location. New information with regards to parking makes the original location on the corner of 15th and N Iowa more feasible. Paved parking will be required in either location, meaning there is no savings to Mitchell Baseball Association by moving the building on the south side of 15th. In addition, there is no room for the required parking in the field south of 15th. Lastly, with the absence of a master plan, there are too many unknowns that make the vacant lot on the corner of 15th & N Iowa St the best location. We are asking for approval of this location (See Map).

The lease gives ownership of the building to the City and MBA will be responsible for all costs involved with building, maintaining, and insuring the facility for 20 years. MBA will pay the City \$300 per year plus utilities, with the possibility of increased lease amounts every 5 years.

Some provisions have changed more than others since the last time the Lease was in front of the council. Sections that had the biggest changes include: Section 1, Section 2(b), Section 8(b)(3), Section 12(b), Section 13, and Section 17. Most other changes were to be consistent with the changes listed above.

The Parks Board approved the Mitchell Baseball Association's first proposal as presented at the 10/13/16 Parks Board meeting.

The resolution would approve the form of the lease, with any changes the council wishes to make, and give up to 1 year for the lease to be executed so that Mitchell Baseball can undertake fundraising efforts and ensure the financial feasibility of the project.

## **Lease Agreement**

THIS LEASE AGREEMENT, hereinafter “Lease”, is entered into as of the date signed below, hereinafter “Effective Date”, by and between the City of Mitchell, a South Dakota municipal corporation, hereinafter “Landlord”, and Mitchell Baseball Association, a South Dakota nonprofit corporation, hereinafter “Tenant”, and Landlord and Tenant may also be referred to herein individually as a “party” or collectively as the “parties”; and

In consideration of the mutual covenants contained herein and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged by the parties, Landlord and Tenant agree as follows:

**1. LEASED PREMISES.** Landlord hereby leases to Tenant certain City-owned real property legally described as **Block 1 of Cadwell Park First Addition, A Subdivision of the NW ¼ of Section 16, T 103 N, R 60 W of the 5th P.M., City of Mitchell, Davison County, South Dakota, EXCEPT the north one hundred fifty (150’) feet AND the east one hundred twenty-five (125’) feet of the south one hundred fifty (150’) feet of said Block 1**, as shown on Exhibit A attached hereto and incorporated by reference, and with such location to have an expected street address of 1014 15<sup>th</sup> Avenue (subject to change), including all buildings, structures, attachments, and other improvements currently existing or hereafter constructed, hereinafter collectively referred to as the “Premises.” Tenant is granted a leasehold in government property under this Lease with the land, buildings, structures, attachments, and other improvements being retained by Landlord as a leased fee. All buildings, structures, attachments, and other improvements to real property (including those built or otherwise added by Tenant) shall be owned by Landlord from the outset and remain government property throughout the Term of this Lease and all Renewal Terms. The parties shall collaborate in creating an inventory of all equipment and other personal property utilized in conjunction with the uses further outlined by this Lease. Said inventory shall be updated on an annual basis and shall signify, by joint agreement of Tenant and the Director of Parks and Recreation, whether such equipment and other personal property is property of Landlord or Tenant, with the presumption that all such equipment and other personal property not jointly agreed to be that of Landlord’s shall be deemed property of Tenant.

## **2. TERM AND RENEWAL.**

(a) The term of this Lease shall be approximately **Twenty (20)** years from (insert dates)

\_\_\_\_\_ through \_\_\_\_\_, hereinafter the “Term.” Landlord and Tenant may by mutual agreement in writing renew this Lease for additional terms, hereinafter “Renewal Term(s).” All Renewal Terms of this Lease shall be for

**Five (5)** year terms and upon the same provisions and conditions as such exist at the end of the effective term immediately preceding such renewal. The Lease shall automatically renew for all Renewal Terms unless Landlord or Tenant provides written notice of non-renewal to the other party at least One Hundred Eighty (180) days but not more than Three Hundred Sixty (360) days prior to the end of the effective Term.

**(b) Right of First Refusal.** For and in consideration of the separate sum of One Dollar (\$1.00) and other good and valuable consideration paid by Tenant to Landlord, the receipt and sufficiency of which is hereby acknowledged by Landlord, Landlord hereby grants Tenant a right of first refusal which may be utilized in the event that the Landlord considers leasing the Premises to a potential third party lessee upon termination of this Lease. Such right shall be waived if this Lease is terminated for cause. This right of first refusal shall be to accept terms and conditions no less beneficial to Landlord as may then have been negotiated with a potential third party lessee. This right of first refusal shall be effective only as to a potential lease to a third party and shall not be effective as to Landlord re-assuming control over the Premises.

**3. RENT, TAXES, AND OTHER CHARGES.** Total rent for the initial Term of this Lease shall be **Three Hundred (\$300) Dollars** per year to be paid to Landlord on or before the Effective Date of this Lease and no later than the 1st of March each year thereafter. Such rent shall be nonrefundable should early termination of this Lease occur. Tenant shall pay the rent and all other charges required to be paid under this Lease by cash, valid check, money order, or cashier's check. No diminution or abatement of rent or offset shall be claimed or allowed for any reason whatsoever without further written agreement. Rent shall be subject to adjustment by Landlord but no more frequently than once every five (5) calendar years and no more than the greater of the rate of inflation over such period or **Twenty (20%)** percent. Tenant shall pay to Landlord with the rent all taxes legally imposed on the rent by taxing authorities. Should Tenant claim an exemption from payment of taxes imposed on rent by any taxing authority, Tenant shall provide to Landlord and keep on file with Landlord current proof of such exemption. In addition to the foregoing payments, Tenant shall be solely responsible for and pay to the appropriate authority by the due date all other taxes, fees, assessments, and other charges legally imposed or accruing against the Premises or Tenant's leasehold, which, for purposes of example only, may include but are not limited to ad valorem taxes and non-ad valorem assessments. Dispute of any such taxes, fees, assessments, or charges shall be solely the responsibility of Tenant at Tenant's sole cost and expense and Tenant shall indemnify and hold Landlord harmless for any and all such taxes, fees, assessments, and charges imposed as well as all costs and expenses arising from non-payment or late payment thereof or otherwise from any such dispute, including but not limited to penalties, interest, attorneys' fees, and experts' fees.

**4. UTILITIES.** Tenant shall be solely responsible for establishing and maintaining all utilities and other services needed to serve the Premises and for Tenant's operations and activities. Tenant shall promptly pay on or before the due date all charges for electric, water, sewer, communications, solid waste removal, and all other utilities and services serving the Premises. Tenant shall hold Landlord harmless from payment of charges for any and all such utilities and services and for any interruption in the use or services of such commodities.

**5. USE OF PREMISES.** Tenant understands, acknowledges, and agrees that Tenant's occupation and use of the Premises is strictly limited to public or recreational purposes and shall primarily relate to the operation of a youth baseball program. In order to fulfill and enhance Tenant's intended and approved use of the Premises, Tenant shall construct a training facility on the Premises as further provided herein.

**(a) Limitations and Conditions on Use.** Tenant shall occupy or use the Premises solely for the public and recreational purposes specified and such comparable purposes which fundamentally arise from a common nexus. Tenant shall be solely responsible for the operation, management, and maintenance of the Premises consistent with this Lease. Landlord shall have the sole and absolute right to determine whether any proposed or actual use of the Premises is within the uses contemplated and allowed by this Lease.

**(b) Supervision by Tenant; Control of Premises.** Tenant shall instruct, monitor, supervise, and manage its members, officers, directors, employees, volunteers, agents, representatives, participants, guests, contractors, sub-contractors, and other invitees in use of the Premises consistent with this Lease and all limitations, restrictions, laws, and regulations. Tenant and not Landlord shall have the right and duty to control access to the Premises by such persons and other third parties. Tenant shall be deemed for all purposes to be solely in possession and control of the Premises. Tenant shall ensure that Tenant's activities relating to such training facility operations occur solely on the leased Premises and not on Landlord's property surrounding the leased Premises unless by separate agreement.

**(c) Non-discrimination.** Tenant expressly agrees for Tenant and Tenant's successors and permitted assigns, that no person, on the grounds of race, color, religion, national origin, age, marital status, gender identity, sexual orientation, disability, or any other characteristic protected by Federal, State, or local law, will be excluded from participation in, denied benefits of, or be otherwise subjected to discrimination in the use of the Premises or Tenant's programs or activities; and that in the construction of any improvements on, in, over, or under the Premises and the furnishing of services on the Premises, no person, on any of the foregoing grounds, shall be excluded from participation therein, denied the benefits thereof, or be otherwise subjected to discrimination.

**(d) Security Policies and Procedures.** Tenant shall be responsible for ensuring that Tenant's members, officers, directors, employees, volunteers, agents, representatives, participants, guests, contractors, sub-contractors, and other invitees shall comply fully with any and all security policies and procedures adopted or implemented by Landlord from time to time as Landlord deems necessary and appropriate for protecting the public health, safety or, welfare or for compliance with any Federal, state, or local law or regulation. Landlord will provide Tenant with notice of any such adopted or implemented security policies and procedures affecting the Premises or its occupation or use.

**6. COMPLIANCE WITH LAWS.** Tenant shall not occupy, use, or maintain or permit the occupation, use, or maintenance of the Premises or any part thereof for any unlawful, immoral, or improper purpose, or in such a manner as to constitute a nuisance of any kind, nor for any

purpose or in any way in violation of this Lease or any existing or future code, law, rule, requirement, order, ordinance, or regulation.

**7. PERMITS AND LICENSES.** Tenant shall be solely responsible for obtaining, maintaining, and paying for the expense of all governmental and regulatory approvals, permits, and licenses necessary for Tenant's occupation, use, and operation of the Premises and access thereto, including but not limited to any required zoning and site plan approvals, building and other permits, and applicable licenses, as such are now or in the future required. Should Tenant be unable to obtain and maintain all approvals necessary for Tenant's intended use or operation of the Premises or other necessary areas, this Lease shall terminate unless agreed otherwise in writing by the parties.

**8. IMPROVEMENTS.**

**(a) In General.** Except for required general maintenance, repairs, and replacements, Tenant shall not make or cause to be made or allow any construction, alterations, installations, or improvements to or on the Premises without prior approval of Landlord's City Council. Any and all construction, alterations, installations, and improvements shall be at Tenant's sole cost and expense and at no cost or expense to Landlord by an established contractor(s) properly licensed, insured, and authorized to work in the City. Such costs shall include but are not limited to costs of planning, design, engineering, surveying, permitting, site preparation, construction, and installations. All work shall be performed in a good and workmanlike manner and consistent with Tenant's plans and specifications as approved by Landlord's City Council, and in compliance with all applicable laws, rules and regulations, including but not limited to applicable building code, Federal and state regulations, and disabilities laws (e.g., the Americans with Disabilities Act), and payment and performance bond requirements for capital improvements on government real property. In the event any governmental authority directs, or any applicable Federal or state law or regulation requires, any modification or alteration to the Premises or any buildings, structures, or other improvements thereon or therein, whether now existing or constructed during the Term or any Renewal Term, Tenant shall be solely responsible for prosecution and completion of and payment for such modifications and alterations.

The parties recognize that any and all construction, alterations, installations, or improvements are capital improvements made to enhance the use of the Premises located in a public park and for the benefit of the general public. The costs of such improvements are not rent, they are not payments in lieu of rent, and they are not made for the right to occupy the Premises.

Except as otherwise agreed in writing by the parties, at the termination of this Lease Tenant, at Tenant's sole expense, shall pay for removal from the Premises any installations or improvements added to the Premises during the Term or any Renewal Term that are not found acceptable by Landlord. Notwithstanding any installations and improvements that are to remain on the Premises, Tenant shall be otherwise responsible and pay for restoration of the Premises.

**(b) Construction of Improvements.** In furtherance of Tenant's proposed use of the Premises, Tenant shall construct a training facility (hereinafter "improvements") designed to

enhance Tenant's use of the Premises and Tenant's programs for the benefit of the community and general public. Tenant shall construct and complete the proposed improvements consistent with the terms of this Lease, including but not limited to the following additional provisions:

- (1) Prior to the approval of this Lease, Tenant shall submit to Landlord conceptual plans for the proposed training facility. Landlord, by action of the City Council, may approve of this Lease after viewing said plans or conditionally approve this Lease upon the condition precedent that Tenant returns with conceptual plans acceptable to Landlord within sixty (60) days. Failure to provide acceptable conceptual plans shall terminate and void this Lease.
- (2) The Premises shall be zoned properly for the Tenant's intended use prior to any construction. If re-zoning the Premises is necessary, Tenant shall apply to have the Premises re-zoned. Landlord, as owner of the Premises, may join in the application for re-zoning but shall not be bound by this Lease to approve said re-zoning. If a re-zoning of the Premises is necessary and the Landlord's City Council does not approve of the necessary re-zoning, this Lease shall terminate and be deemed void.
- (3) Tenant, after receiving conceptual plan approval and the Premises being properly zoned, shall diligently pursue any further site plan approvals or other construction related approvals applicable under federal, state, or local law and shall proceed and continue through construction only if all applicable approvals have been granted.
  - (i) Parking. Tenant shall install a parking lot adjacent to the Premises on City retained property. The City shall be responsible for the parking lot, subject to any further provisions of this lease, and the parking lot may be utilized for public parking. The parking lot shall be paved and consist of at least thirty (30) parking spaces, two (2) of which must be handicap accessible. The parking lot shall be completed within twenty-four (24) months of the Effective Date.
  - (ii) Security. Tenant shall install a security system that is compatible with the City's security system provided by Intellipro Security. The specifications of the security system shall be approved by Landlord's City Administrator. Upon completion of construction and verification that the approved security system is functional as expected, Tenant shall be entitled to deduct the expense of such system from any rent due to Landlord at that time or in the future until such amount is fully accounted for.
- (4) Notwithstanding any other provision of this Lease, if Tenant fails to obtain all applicable approvals and complete construction within Twenty-Four

(24) months of the Effective Date, this Lease shall be terminable by either party.

- (5) Tenant shall require and verify that all construction work is completed by a responsible contractor with insurance and bonding requirements as shall further be specified prior to the engagement of any contractor.
- (6) As further provided by this Lease, Tenant shall be responsible for maintaining the condition of the building and shall ensure the building suffers from no major defects at any time, except for normal wear and tear.

**9. LOANS AND LIENS.** Landlord's interest in the Premises shall not be subject to any loans, security interests, or liens for any construction, alterations, installations, improvements, or work. Tenant shall notify all persons and entities loaning money, constructing improvements, or performing work on the Premises, or supplying materials, equipment rental, or other services for the improvements or work, that this Lease does not allow any loans, security interests, or liens to attach to Landlord's interest. If, notwithstanding the foregoing, any loan, security interest, mechanic's, materialman's, laborer's, or any other lien, or any order or judgment for payment of money, shall be recorded against the Premises or any part thereof or against Tenant's leasehold interest or otherwise asserted against Landlord's interest (whether or not legally effective), then Tenant shall, at Tenant's own cost and expense, cause the same to be satisfied, cancelled, and discharged of record and, further, shall indemnify and hold Landlord harmless from and against any and all costs, expenses, claims, losses or damages, including reasonable attorneys' fees and experts' fees, through trial and appeal, resulting there from or by reason thereof.

**10. LANDLORD RIGHT OF ENTRY.** Landlord retains a general right of ingress, egress, and regress across the Premises as reasonably needed for Landlord's employees, contractors, and agents in performance of their duties at all reasonable times. Landlord shall also have the right to enter the Premises for inspection, protection, or preservation of the Premises, including but not limited to inspection of the Premises to determine whether Tenant is complying with the terms of this Lease, applicable laws, orders, or regulations of any lawful authority having jurisdiction over the Premises or any activities conducted thereon or therein. Landlord's retained rights hereunder also include the right of ingress, egress, and regress for the installation, replacement, and maintenance of utilities and related facilities on, across, and under the Premises as may be deemed necessary by Landlord. Landlord shall, to the extent possible in Landlord's determination, locate such utilities and related facilities in such a manner as not to disturb Tenant's operations and use of the Premises. Entry by Landlord shall not constitute or be deemed an eviction of Tenant or any deprivation of Tenant's rights under this Lease; nor shall such entry alter in any manner Landlord's obligations hereunder.

**11. ASSUMPTION OF RISK; RELEASE AND INDEMNIFICATION.** For and in consideration of the separate sum of One Dollar (\$1.00) and other good and valuable consideration paid by Landlord to Tenant, the receipt and sufficiency of which is hereby acknowledged by Tenant, Tenant agrees as follows:

**(a) Premises “As Is.”** Tenant accepts the condition of the Premises “as is” and recognizes and hereby expressly and fully assumes all risks, known and unknown, that arise or might arise incidental to or in any way connected with the condition or use of the Premises or access to the Premises. Tenant acknowledges and agrees that Landlord has not made and makes no warranty of any kind whatsoever as to the condition of the Premises or fitness of the Premises for any particular purpose. This assumption of risk by Tenant is made for and on behalf of Tenant and Tenant’s successors, permitted assigns, and Tenant’s officers, directors, members, employees, volunteers, agents, representatives, participants, guests, contractors, subcontractors, and all other invitees.

**(b) Release and Indemnification (Premises).** Tenant hereby releases and forever discharges Landlord and Landlord’s elected officials, officers, employees, and agents, cumulatively the “Released Parties,” and agrees to indemnify and hold harmless the Released Parties, from and against any and all liabilities, claims, demands, damages, actions, lawsuits, costs, and expenses, of any kind or nature, including but not limited to costs of investigation, attorneys' fees, experts’ fees, and costs through trial and appeal, arising out of, incidental to, or in any way connected with the condition, maintenance, or use of the Premises, access to the Premises, the condition, maintenance, or use of any installation, improvement, or equipment on, in, or serving the Premises, or otherwise arising under this Lease. TENANT UNDERSTANDS AND AGREES THAT THIS RELEASE AND INDEMNIFICATION INCLUDES ANY AND ALL CLAIMS BASED ON THE NEGLIGENCE, ACTIONS, OR INACTION OF LANDLORD OR ANY OTHER RELEASED PARTY AND INCLUDES ANY OTHER CAUSE OR CONDITION WHATSOEVER, AND COVERS, BUT IS NOT LIMITED TO, ANY CLAIMS FOR BODILY INJURY, DEATH, OR PROPERTY DAMAGE.

**(c) Indemnification (Use).** Tenant shall indemnify and hold the Released Parties harmless from and against any and all liabilities, claims, demands, damages, actions, lawsuits, judgments, penalties, losses, costs, or expenses, of any kind or nature, including but not limited to costs of investigation, attorneys' fees, experts’ fees, and costs through trial and appeal, arising out of, incidental to, or in any way connected with Tenant’s possession, use, occupancy, operation, or maintenance of the Premises, and any act or omission of Tenant or Tenant’s members, officers, directors, employees, volunteers, agents, representatives, participants, guests, contractors, subcontractors, and other invitees.

**(d) Release and Indemnification (Public Improvements and Utilities).** Tenant’s release and agreement to indemnify and hold the Released Parties harmless shall also include any claim for damage that any utility (whether publicly or privately owned) or public entity may sustain or receive by reason of Tenant’s possession, use, occupancy, operation, or maintenance of the Premises, or any installations or improvements thereon or made by or for Tenant. Tenant waives all claims of any kind or nature whatsoever against the Released Parties for damages that Tenant may suffer by reason of the installation, construction, reconstruction, operation or maintenance of any public improvement, facility, or utility, whether presently in place or which may in the future be constructed or installed, including but not limited to any water or sewer mains, lines, pipes, structures, or other facilities; storm water structures, pipes, or other facilities; electric or communication lines, structures, conduit, or other facilities.

**(e) Claims Under Disabilities Laws.** Should a regulatory agency, private party, organization, or any other person or entity make a claim under the Americans with Disabilities Act or other Federal or state law against Tenant or Landlord, or both Tenant and Landlord, for an alleged violation of or noncompliance with any such law as to the Premises or any improvements thereon or therein, or as a result of Tenant's occupancy or use of the Premises or operation of Tenant's programs or services, Tenant shall defend, save, and hold harmless Landlord from any and all expenses incurred in responding to such a claim, including without limitation the fees of attorneys and other advisors or experts, court costs, and costs incurred for correcting any such violation or noncompliance found to exist.

**(f) Intent and Effect.** It is the intent and effect of the provisions contained in this section 11 and a condition in consideration for Landlord to enter into this Lease with Tenant, that Tenant's obligations hereunder shall be and include a full and total release and indemnification of the Released Parties against any kind or nature of claim whatsoever that is or may be asserted by reason of or as a consequence of Landlord having granted a leasehold to Tenant to possess, occupy, use, improve, operate, and maintain the Premises, and that any and all risks of loss and responsibility for claims shall be borne by Tenant and not by Landlord, the public, or Landlord's taxpayers. Tenant acknowledges and agrees that the provisions of this section 11 are provided as separate consideration and inducement for this Lease and such Lease would not have been entered into by Landlord absent the giving of such consideration by Tenant. Tenant's obligations under this section 11 shall survive the termination of this Lease for any matter arising prior to the effective date of the termination or the date Tenant no longer possesses, occupies, uses, operates, or maintains the Premises, whichever is later. Notwithstanding any other provision of this Lease, should any claim or litigation by any person or entity arise against Landlord as to liability for any injury, death, or property damage due to the condition of the Premises or Tenant's possession, occupancy, use, operation, or maintenance of the Premises or Tenant's activities, Tenant shall be responsible for, and promptly reimburse Landlord for, all costs of Landlord's defense of such claim or litigation, including but not limited to fees for Landlord's attorneys and experts.

**12. INSURANCE.** During the Term and all Renewal Terms, and so long as Tenant occupies, uses, operates, or maintains the Premises, Tenant shall procure and maintain insurance at Tenant's sole cost and expense, as follows:

**(a) Commercial General Liability Insurance.** Commercial general liability insurance providing all risks coverage which protects Tenant and Landlord and all other Released Parties from and against any and all claims and liabilities for bodily injury, death, and property damage arising from operations, premises liability, fire, and all other risks. Such insurance shall provide minimum coverage of \$1,000,000.00 per occurrence and \$2,000,000.00 aggregate. Tenant shall be and remain liable for and pay all deductibles and other amounts not covered, paid, or reimbursed under the insurance policies.

**(b) Property Casualty Insurance.** Property casualty insurance for the Premises and any buildings constructed shall be added to Landlord's existing property casualty insurance policy in such amounts as Landlord deems appropriate in its sole discretion but not to exceed one hundred fifty (150%) of the property and building value. Tenant shall reimburse Landlord for the additional expense of adding said coverage. The property list provided for by this Lease shall be

used to determine which property in the building is Landlord property and subject to said property casualty insurance. Tenant may choose, at its option, to obtain renter's insurance at Tenant's sole expense for any property not subject to the above property.

**(c) Flood Insurance.** Flood insurance, at the option of Tenant, for all buildings, structures, and other improvements now existing or constructed or installed during the Term or any Renewal Term on or in the Premises. Said flood insurance coverage shall be for the lesser of the total insurable value of such buildings, structures, and other improvements or the maximum amount of flood insurance coverage available under the national Flood Insurance Program.

**(d) Workers' Compensation Insurance.** Tenant shall maintain workers' compensation insurance if and to the extent required by law, with coverage amounts that meet or exceed the statutory mandatory minimum.

**(e) Builder's Risk.** Tenant shall provide and maintain, or shall require Tenant's contractor to provide and maintain, builder's risk insurance coverage for construction of the buildings, structures, and improvements on the Premises. Such builder's risk insurance shall meet or exceed the following requirements:

- (1) The form shall be all risks coverage and the amount of insurance coverage shall be 100% of the completed value of work, including the buildings, additions, and structures.
- (2) The policy must be specifically endorsed to eliminate any "Occupancy Clause" or similar warranty for representation that the buildings, additions, or structures in the course of construction shall not be occupied without specific endorsement of the policy. The policy must be endorsed to provide that the builder's risk coverage will continue to apply until final acceptance of the buildings, additions or structures by Tenant and Landlord (as owner).
- (3) The maximum deductible shall be no more than \$5,000.00 each claim. A higher deductible may be permitted subject to Landlord's written approval.
- (4) The policy must be endorsed to provide machinery/equipment coverage during transit, storage and installation, including any directly purchased by the Tenant.
- (5) The policy must be endorsed to provide coverage for tangible property, materials, machinery/equipment, and supplies directly purchased by Tenant for which the risk of loss has transferred to Tenant. Such endorsement shall provide for reimbursement for loss or damage directly to Tenant as an additional insured if the insurance is provided by Tenant's contractor.

**(f) Landlord Additional Insured; Policy Endorsements.** The policies of insurance required herein for commercial general liability insurance, flood insurance (if elected by Tenant), and builder's risk insurance, including all renewals, shall be written to specifically name and include Landlord as additional insured or be endorsed to name and include Landlord as

additional insured, and provide for at least thirty (30) days advance notice to Landlord by the insurer prior to any policy change, amendment, termination, or expiration of coverage. Property casualty insurance shall be on such terms as Landlord deems appropriate. Tenant shall cause its insurance agent(s) or carrier(s) (or its contractor in the case of builder's risk) to provide Landlord with a copy of such policies, additional insured endorsements, and certificates of insurance stating that the coverage as required herein is in force and effective: no later than the Effective Date of this Lease for commercial general liability insurance and no later than commencement of construction work on the improvements for builder's risk. No occupancy of any structure on the Premises shall take place unless proof of insurance has been provided therefore by Tenant to Landlord. Tenant shall cause insurance policies, policy endorsements, and certificates of insurance in conformance with the requirements hereof to be promptly provided to Landlord for each subsequent policy renewal. For any new or replacement insurer, Tenant shall cause a copy of the new or replacement insurance policy and corresponding additional insured endorsement and certificate of insurance to be promptly provided to Landlord.

**(g) Tenant Insurance Primary; Approval of Insurer.** Tenant's insurance in all instances shall be primary and any insurance that may be maintained by Landlord shall be in excess of and shall not contribute with Tenant's insurance. All insurance policies shall be issued by a company licensed to do business in the state of South Dakota and be otherwise satisfactory to Landlord and subject to Landlord's approval.

**(h) Modification of Insurance Requirements.** Recognizing the extended Term of the Lease, Landlord shall have the right to periodically review the adequacy of the required insurance, its form and type, and the amount of coverage and, notwithstanding any other provision of this Lease, unilaterally modify the insurance requirements of this section by written notice of such amendment to Tenant. Such modifications shall be as found reasonably necessary in the sole discretion of Landlord. Factors which may be considered by Landlord include, but are not limited to, changes in generally accepted insurance industry standards and practices, changes in use of the Premises, changes in risk exposure, measurable changes in local and national economic indicators, and changes in Landlord's policies and procedures.

**(i) Failure to Maintain Insurance.** Tenant understands and acknowledges that the responsibility and obligation to provide and maintain insurance in the forms, type, and coverage required herein and to maintain proper Landlord additional insured policy endorsements and certificates of insurance is solely Tenant's responsibility and obligation which continues during the entire Term, all Renewal Terms, and until such time as Tenant no longer occupies the Premises, whichever date is later. Tenant further understands and acknowledges that failure to provide and maintain all insurance coverage as and in the manner required herein will be deemed detrimental to the public interest, an increased and unnecessary risk to the public and to Landlord's taxpayers, and a material breach of this Lease which can result in termination of this Lease and in Tenant being liable for the full amount of all losses incurred due to the failure to maintain insurance.

In the event that Tenant should fail for any reason to procure or maintain insurance in the forms, type, or minimum coverage required and maintain the Landlord additional insured policy endorsements and certificates of insurance, Section 17 of this Lease shall apply. Should Tenant

fail to cure the breach within said period or such other time as may be agreed to by the Parties in writing, Landlord in Landlord's sole discretion may, but is not obligated to do so, secure replacement insurance coverage at Tenant's sole expense. Should Landlord elect to secure replacement insurance, Tenant shall thereafter reimburse Landlord within fourteen (14) calendar days of Landlord sending an invoice for the costs and premiums incurred by Landlord for the replacement insurance coverage plus an administrative charge of ten percent (10%) or \$250.00, whichever is greater. Tenant shall continue to be responsible for the payment of all deductibles applicable to the insurance policies and all losses incurred during any lapse in coverage. Should Tenant subsequently obtain the required insurance, endorsements, and certificates, Tenant shall remain responsible for and reimburse Landlord for all costs and expense to Landlord for the insurance premiums earned and administrative charges.

### **13. MAINTENANCE AND REPAIRS.**

**(a) In General.** During the Term and all Renewal Terms, and until Tenant has surrendered possession of the Premises to Landlord, Tenant, at Tenant's sole cost and expense, shall maintain the Premises, including but not limited to all buildings, structures, installations, fixtures, betterments, equipment, and other improvements (collectively "Improvements") in good order and repair and in a safe, clean, secure, sanitary, and presentable condition, and in conformance with the provisions of this Lease and all applicable codes, ordinances, laws, regulations, and approved site plans. Tenant and not Landlord shall have the continuing duty to inspect the Premises and repair defects. Notwithstanding any right of Landlord to enter the Premises for its purposes provided herein, Landlord shall have no duty or responsibility to inspect, repair, or maintain the Premises or any part thereof. Tenant shall also be responsible for maintenance of all exterior property areas of the leased Premises.

**(b) Snow removal.** Tenant shall be responsible for snow removal on the premises including pathways leading into the building and the parking area required hereunder. Such areas shall be cleared of snow within 48 hours after the end of a snow event. Landlord agrees to remove snow from the public sidewalks adjacent to the property as a continuation of its current practices and in compliance with its ordinances.

**(c) Destruction of Improvements/Force Majeure.** If an unforeseeable incident beyond the control of the Parties which prevents a Party from complying with any of its obligations under this Contract, or which makes compliance unreasonable for either party, or if the Premises have become wholly untenable due to the destruction of the facility, either party may choose to terminate this agreement, upon Thirty (30) days written notice, without being held in default of any obligation hereunder to the extent that the failure to perform such obligation is due to such an incident, or alternatively, may agree to modify this Lease.

In the event that the facility is deemed a total loss, Landlord shall, with input from Tenant, determine whether or not the facility will be reconstructed. If reconstruction occurs, insurance proceeds will be applied towards reconstruction, with plans as determined by Landlord, with input from Tenant, with any excess to be split equally by the parties. If reconstruction does not occur, insurance proceeds shall be first utilized to recondition the grounds to their pre-facility condition, then utilized to pay any outstanding loan obligations of

Tenant arising from initial construction or maintenance of the facility and any property casualty insurance premiums paid by Tenant to Landlord, with any excess to be split equally by the parties.

In the event that the facility is not deemed a total loss, Tenant shall, as soon as is reasonably possible but no later than Nine (9) months after such damage and/or destruction, make or cause to be made all necessary repairs at Tenant's sole expense to the satisfaction of Landlord. Tenant shall be responsible for any applicable insurance deductible in this event. Insurance proceeds will be applied towards reconstruction, with any excess to be split equally by the parties. If insurance coverage does not fully cover the repair cost in this event, Tenant shall be responsible for any deficiency.

**14. SIGNS.** For and during such time as this Lease remains in effect, Tenant may install and display signage on the Premises consistent with the Mitchell Parks and Recreation Donor Guidelines and, where applicable, shall comply with federal, state, or local law. Such signs shall be subject to the approval of the Mitchell Parks and Recreation Board as well as Landlord City Council. The revenue generated therefrom shall be retained by Tenant during the initial term. For any Renewal Terms, the rights of Tenant under this section shall lapse and Landlord shall retain full control over signage and revenue therefrom. Notwithstanding the preceding, the primary exterior signage and building naming rights shall remain in place for such time as set by the Parks and Recreation Board prior to Tenant's receipt of any donation for such purposes; such time, once set and a donation has been received, shall not be reduced; and all revenue received for such purposes during such time shall be retained by Tenant.

**15. STORM PREPARATIONS.** In the event of approaching severe weather, Tenant, at Tenant's sole expense, shall remove or cause the removal of all personal property from the exterior of the Premises and secure and provide for protection of the buildings and structures on the Premises and all personal property located thereon in advance of the severe weather.

**16. ENVIRONMENTAL RESTRICTIONS; REMOVAL OF REFUSE.** Tenant shall not store, discharge, or dispose of any industrial or hazardous materials or wastes on, in, or adjacent to the Premises whatsoever or allow such storage, discharge, or disposal, with exception made only for proper storage and use as is necessary in conjunction with construction of improvements or repairs. Tenant shall utilize, store, and dispose of all such industrial, hazardous, and solid wastes in accordance with applicable Federal, state, and local laws, rules and regulations. Tenant shall be solely responsible for and indemnify Landlord for all costs and expenses, including but not limited to costs of remediation, fines, penalties, attorneys' fees, experts' fees, and costs through trial and appeal, that arise in any manner out of environmental contamination caused by Tenant, Tenant's agents, officers, members, employees, contractors, subcontractors, or invitees, or otherwise from Tenant's occupancy, use, or maintenance of the Premises or improvements thereto, which responsibilities, obligations, and liabilities shall survive the expiration or early termination of this Lease. Tenant shall be solely responsible at its own expense for regular removal and disposal of all refuse, garbage, debris, trash, and other discarded materials and shall not allow an accumulation thereof on, in, or adjacent to the Premises.

**17. DEFAULT AND REMEDIES.** Except as otherwise provided in this Lease, the following shall be deemed to constitute a default and material breach of the terms of this Lease:

- (a) Failure by Tenant to pay any obligation or amount of money due under this Lease.
- (b) Failure by Tenant or Landlord to comply with any provision or condition of this Lease.
- (c) Abandonment by Tenant of the Premises or any part of the Premises without the written agreement of Landlord.

This Agreement may be terminated by either party, due to a failure of the other party to fulfill its obligations under this Agreement, by providing written notice of termination to the breaching party stating the grounds of the breach. The breaching party shall have the right to cure the breach within fourteen (14) days prior to termination becoming effective. In the event the party receiving the notice cures the alleged failure within said fourteen (14) day period, the notice of termination shall be deemed to be suspended. Landlord and Tenant shall additionally have all other remedies for any default by the other party as provided for at law or in equity.

**18. SURRENDER ON TERMINATION; RESTORATION.** Tenant shall surrender the Premises to Landlord or Landlord's designee quietly and peaceably upon expiration or termination of this Lease. Within 30 days before the expiration or termination, Tenant shall restore the Premises to a clean and usable condition acceptable to Landlord, with exception made for reasonable and ordinary wear and tear.

**19. HOLDOVER TENANCY.** If Tenant remains in possession of the Premises after this Lease expires or terminates for any reason:

(a) Tenant shall be deemed to be occupying the Premises as a Tenant from month-to-month at the sufferance of Landlord. Tenant will continue to be subject to and comply with all of the provisions of this Lease, except that, at Landlord's discretion, the rent will be at a monthly rate up to an amount equal to 1/12<sup>th</sup> of the fair market annual rental value of the Premises, including all improvements, calculated at the time of the expiration or termination, and paid by Tenant on the first day of each month subsequent to the expiration or termination.

(b) Tenant shall reimburse Landlord for any and all additional losses and damages which Landlord suffers by reason of Tenant's continued occupancy.

(c) Tenant shall indemnify Landlord from and against all claims made by any successor Tenant insofar as such delay is occasioned by Tenant's failure to surrender possession of the Premises.

**20. LIQUIDATED DAMAGES.** In the event of a breach of contract or early termination of this Lease by Tenant which leaves Landlord responsible for the operation and/or maintenance of the Premises or buildings on the Premises, and because of the impracticability or extreme difficulty in fixing actual damages in that event, the parties hereby agree to liquidated damages, not as a

penalty, in the amount of **Three Thousand (\$3,000) Dollars** for each year remaining under the then effective term.

**21. MISCELLANEOUS PROVISIONS.**

**(a) Amendment and Modification.** Except as otherwise provided in this Lease, no subsequent alteration, amendment, change, or addition to this Lease or any exhibit or attachment hereto shall be binding on Landlord or Tenant unless in writing and signed by them and made a part of this Lease by direct reference. Any amendment shall require the approval of Landlord's City Council.

**(b) Waiver of Compliance; Consents.** Any term or condition of this Lease may be waived by the party that is entitled to the benefit thereof, but no such waiver shall be effective unless set forth in a written instrument duly executed by or on behalf of the party waiving such term or condition. Any waiver by any party of any condition, or of the breach of any provision, term, covenant, representation, or warranty contained in this Lease, in any one or more instances, shall not invalidate this Lease, nor shall such waiver be deemed to be nor construed as a furthering or continuing waiver of any such condition, or of the breach of any other provision, term, covenant, representation or warranty of this Lease. Except as otherwise provided herein, the failure of a party to assert any of its rights under this Lease or otherwise shall not constitute a waiver of such rights. A waiver by a party shall not invalidate this Lease, nor shall such waiver be construed as a waiver of any other covenant, condition, representation, or warranty. A waiver by a party of the time for performing any act shall not constitute a waiver of time for performing any other act or the time for performing an identical act required to be performed at a later time.

**(c) Third-Party Beneficiaries.** Notwithstanding the public nature of Tenant's intended use of the Premises, the terms and provisions of this Lease are intended solely for the benefit of the parties and their respective successors and permitted assigns, and it is not the intention of the parties to confer third-party beneficiary rights upon any other person.

**(d) Notices.** Any notices that are required to be served or that may be served pursuant to this Lease shall be in writing, addressed to the party's address below, and shall be deemed served either: (1) on the date hand delivered; (2) on the date delivered by courier service; (3) on the date delivered by First Class U.S. Mail, as evidenced by a return receipt; or (4) on the fifth day after the date sent by First Class U.S. Mail, as evidenced by an affidavit of mailing.
