F. Other

9. NEXT MEETING DATE

10. ADJOURNMENT

Golf & Cemetery Board Meeting
December 14, 2020
City Hall Council Chambers

Present: Jeff McEntee, Lynette Shattuck, Brian Johnson, Joe Schlimgen, Mark Graham, Dan Sabers

Staff Present: Jason Gunnare, Eric Hieb, Nate Powell, Angel DeWaard

Called to Order by President McEntee at 5:34 PM

Motion to approve minutes of November 2020 meeting by Schlimgen, second Graham.

McEntee requested a motion in the September 14, 2020 meeting regarding Gunnare's position be amended reflect the full motion as follows: Motion by Young, seconded by Graham to make a recommendation that Gunnare be a Superintendent in the city structure with another full time individual that would be trained to fill in for the superintendent when necessary or upon retirement and to revert back to the original management structure once Thurman's buyout was done and the top position, whatever we are going to call it, Superintendent be a Division Department Head position.

Public Input: none

Agenda Items

- A. Powell reviewed the Golf & Cemetery Budget and Bills. Johnson questioned where things stand with the 2021 budget. Powell noted asked for clarification on this and was told the 2021 budget will be finalized at the December 21st council meeting and then given to department heads. Johnson expressed concern on if items the board approved to be submitted in the 2021 budget remained or were changed or cut. McEntee noted the 2021 budget requests are submitted to the Mayor and City Administrator who review and submit budget requests to the Council. Powell stated that the council does see all items submitted and if an item was removed by the Mayor and City Administrator the item would show a zero, however next to that item it would show the requested amount.
- B. Hieb reviewed the November Clubhouse and revenue report, although the clubhouse is closed we still have payments being received and are comparable to last year.
- C. Gunnare reviewed the Cemetery and revenue report, we are a little above where we were at last year. Johnson questioned if roads have been repaired and drainage issue taken care of. Gunnare noted roads have not been completed the drainage issue has been fixed.
- D. Department report: We have been busy winterizing and organizing for the winter. The greens are sealed, but Mother Nature worked the sand into the canopy. Golfers will need to stay off the greens to allow the sand to do what it is intended to do. Tee aeration is almost complete, due to a breakdown the last 5 tees will be finished up in the spring. We will try to do a solid tine so we do not have the plugs to deal with.

Tree work will start this coming week. Lack of snow was a concern due to the possibility of greens drying out. I will be hiring extra help to work on equipment for the winter after the first of the year, am allowed up to 40 hours of help. McEntee inquired as to the status of the second full time position. Powell informed the Board the Council approved leaving the position as is, Sabers added the Mayor has stated the interim position will remain until after the mayoral election.

- E. Powell gave a board organization update. First reading of the ordinance to create the official Golf/Cemetery Board was approved at the December 7th City Council meeting, second reading will be December 21st. Powell noted the board would also be a policy Board so fees and agreements can be approved without going to council.
- F. Gunnare reviewed the Clubhouse Manager Agreement with the Board. McEntee inquired if Hieb was fine with the contract, Hieb stated he was. Gunnare noted the contract is structurally the same as the previous, however the locker fee amount was incorrect so it was reworded and the dollar amount removed. Also, cart rentals require a valid driver's license. The contract is for two (2) years with a 3% cost of living increase. Johnson expressed his concern with the wording Supervisor of Golf and Cemetery (hereafter "Supervisor). Powell informed the Board Gunnare was hired as the Golf & Cemetery Supervisor. Johnson noted he felt if titles do not matter it should be changed to Superintendent and questioned if the Board had the to approve the agreement. Powell stated the agreement will be taken to the Council at the Dec. 21st meeting and the Council will question if the board supports the agreement. After a brief discussion motion Schlimgen, second Shattuck to approve the Clubhouse Manage Agreement as submitted. Motion approved and carried with Johnson casting the only Nay vote.
- G. Gunnare informed the Board for capital greens project he will be getting a design with cost estimate, this will help determine if the funds provided will be enough or if he will have to go to council to ask for extra funding. Also, looking at expanding tee boxes #8 coming back off the back side of it to make it a little longer, #7 coming off the front of it or making a totally separate tee box maybe up close to cart path, #5 make it a little wider and flatten it and then a bunch of tee boxes just doing a bunch of flattening and leveling and bunker renovations.

Regular meeting adjourned at 7:18 PM.

December Lakeview Golf Course Clubhouse Report

Finished up the Christmas Golf Sale I have every year downtown in December. Sold a few more memberships/payments towards peoples memberships for 2021 golf season. Also, sold some golfing gift certificates for the 2021 golf season for golf, cart, range, punch cards.

I will be re-cleaning the clubhouse here as I start to move my inventory back out to the clubhouse before spring.

I am in the process of getting a tentative 2021 Tournament/Event Calendar ready for the February Meeting.

Eric Hieb

Superintendent's report

The new storage building arrived this week. We will be building shelving, a bench and hangers for our glass doors off of equipment for summer storage. We will also be placing a couple golf carts in it for winter storage to make shuffling equipment easier. We ended up cutting down the locust tree behind it because it had signs of rot. After cutting it down our thoughts were confirmed. It was very surprising it did not come down on its own. Tree removal and trimming will continue whenever we can. We ended the year in the cemetery fairly slow compared with a month ago. I think it may be a busy summer of cremation burials because of people waiting for services. We have been in contact with a contractor for the infant section restoration. He is going to be stopping out to look at the project next week. We are getting together pricing and plans for mapping of cemetery, and cemetery expansion.

Only a few snow events has saved on time and labor for the end of 2020. Equipment maintenance has been underway as time permits. One seasonal started on the 5th to help with going through equipment. We will be outsourcing the grinding of reels this winter. With being short staffed this will alleviate some of the work that needs to be done. It will cost \$5,000 to \$6,000 to have someone else do them. We will be rebuilding at least one set of greens reels. I have not decided what I want to do with another set. I went to whispering creek golf course on the 29th to look at a mower they are selling. I am waiting to see what happens on that mower so I know what I have to work with for the fairway mower.

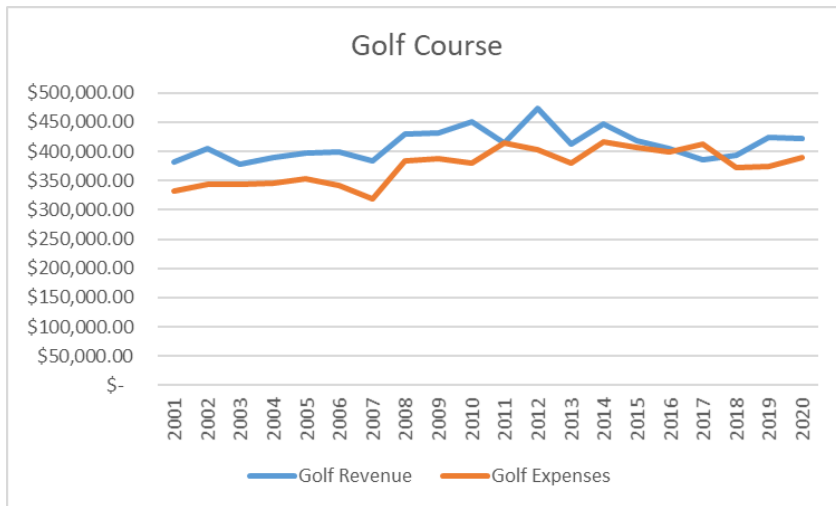

I have been in contact with contractors, architects, and other golf courses that have done renovations in the last ten years. I will have a couple of options available at the next board meeting to decide on. Because of the snow the design work will not get started until spring. The two greens will be the main focus, but bunkers, tees, and other projects will also be considered as well. I have been taking considerable amount of time planning projects, evaluating equipment needs, and getting ready for next season. With the ongoing questions about next year we need to be able to adjust how and when we do things. I have appreciated all the support that this department has received, and can't wait to take on 2021 to continue to grow the game of golf.

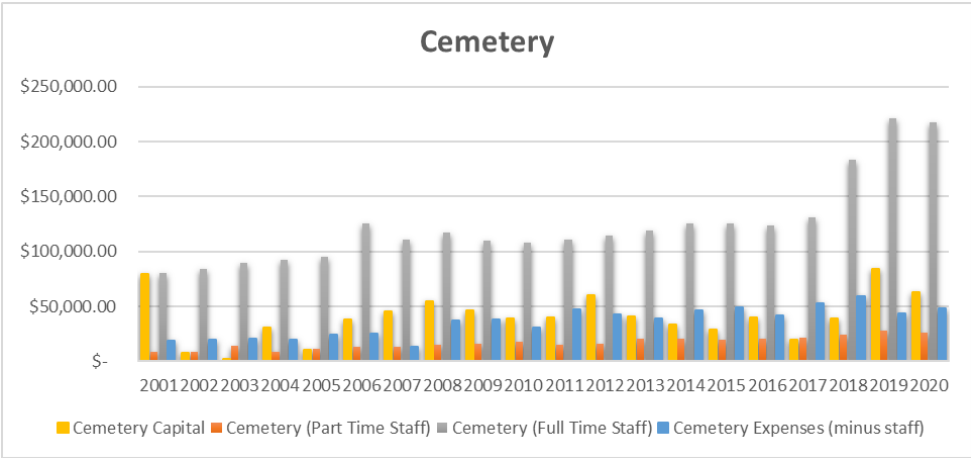

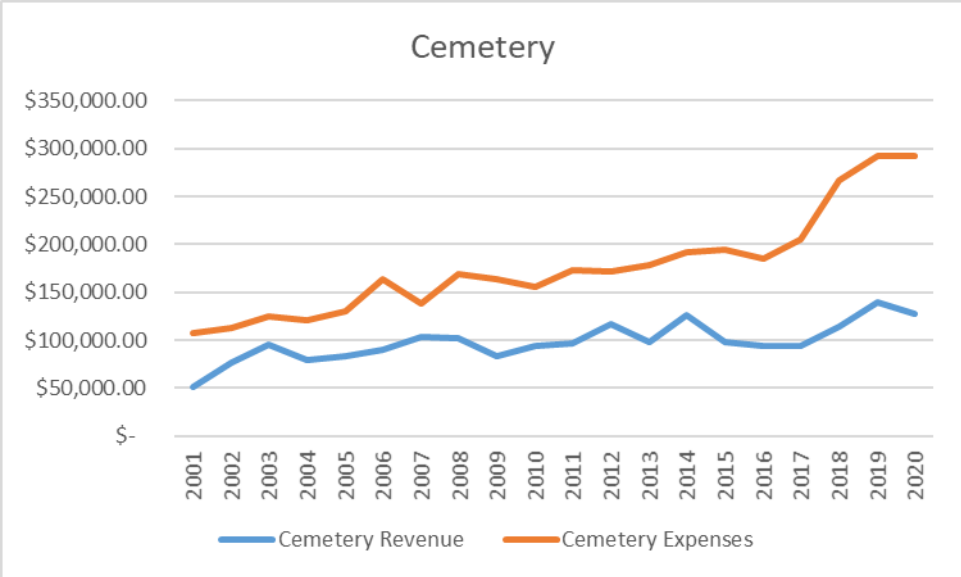

Jason Gunnare Superintendent

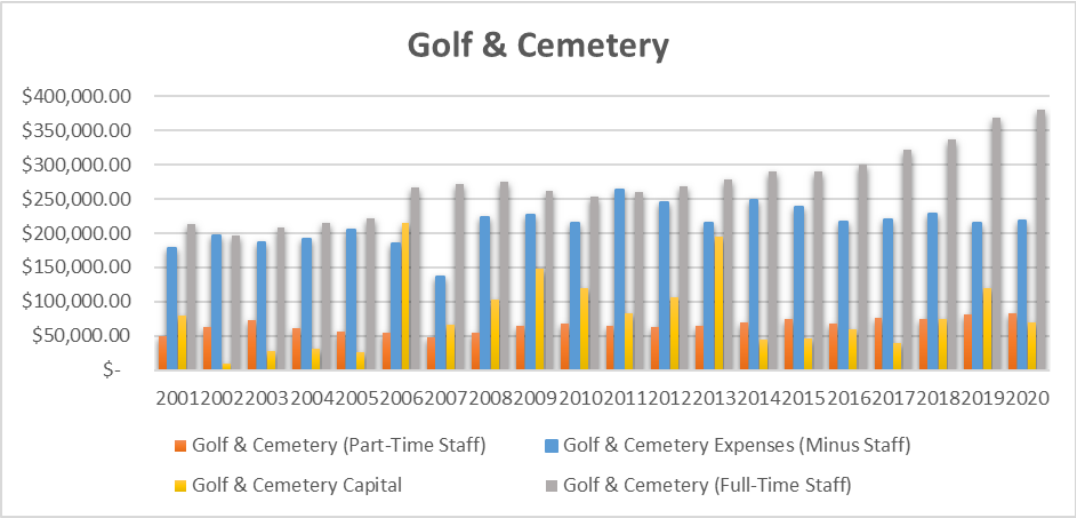

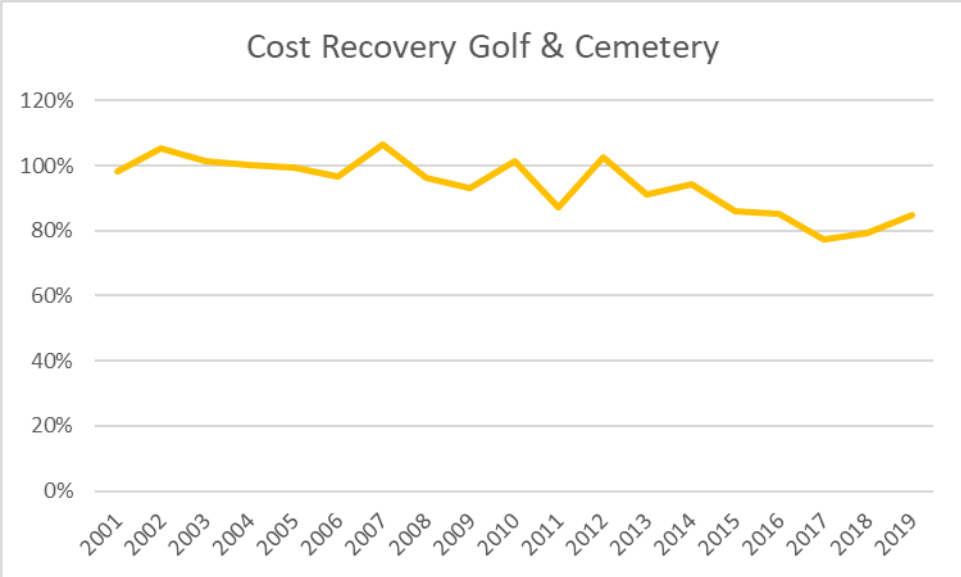

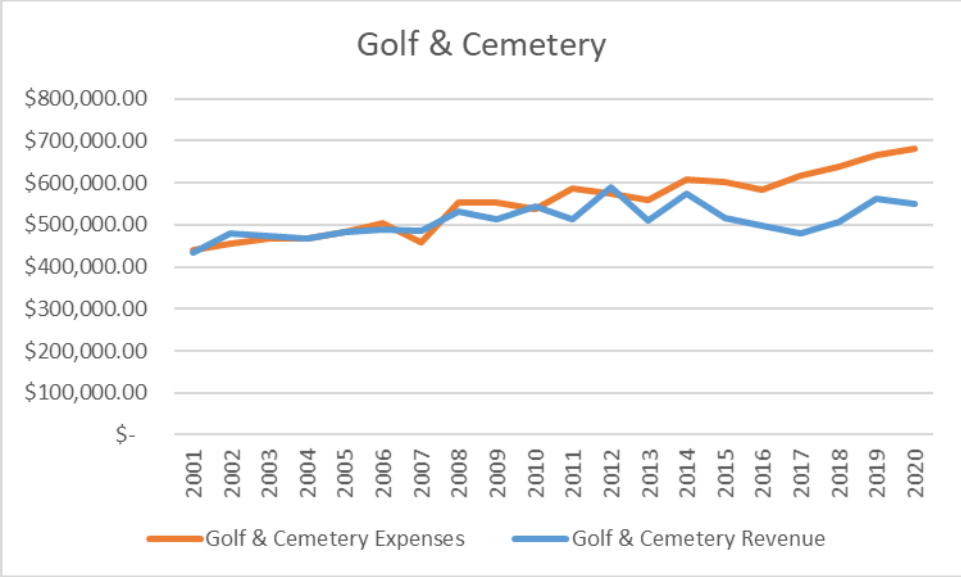

Golf / Cemetery Department

Jason,

I forgot to give you an idea of the value of your current fleet. I have not seen your cars for about a season. They are Fleet EFI – 2013 Drive series – value right now \$2400- \$2550 per car.
