10. NEXT MEETING DATE

11. ADJOURNMENT

Golf & Cemetery Board Meeting
April 12, 2021
City Hall Council Chambers

Present: Jeff McEntee, Brian Johnson, Tom Young, Joe Schlimgen
Council Liaison: Dan Sabers
Staff present: Jason Gunnare, Eric Hieb, Nate Powell, Angel DeWaard

Called to order by McEntee at 5:45 PM

Angel DeWaard issued the Oath of Office to Golf/Cemetery Board Member: Tom Young.

Public Input: None

McEntee, President opened the floor for Election of Officers for the positions of President, Vice President and Secretary/Treasurer as follows:

Motion Schlimgen, Second Young to nominate Jeff McEntee for Board President. Motion Schlimgen, Second Young to cease nominations for Board President and elect Jeff McEntee as Board President. Motion approved and carried.

Motion McEntee, Second Young to nominate Brian Johnson for Board Vice President. Motion McEntee, Second Young to cease nominations for Board Vice President and elect Brian Johnson as Board Vice President. Motion approved and carried.

Motion McEntee Second Johnson to nominate Tom Young for Board Secretary/Treasurer. Motion McEntee, Second Johnson to cease nominations for Board Secretary/Treasurer and elect Tom Young as Board Secretary/Treasurer. Motion approved and carried.

Motion to approve minutes of the March 8, 2021 meeting by Johnson, Second Schlimgen. Motion carried.

Motion to approve the Bills as submitted by Johnson, Second Schlimgen. Motion carried.

Old Business: Schlimgen informed the Board he spoke with Gunnare in regards to starting a tree farm at the golf course. Johnson questioned if this can be done in conjunction with parks. Gunnare informed the Board he spoke with John Ball regarding trees and was told that variety of species is necessary. Johnson stated he wants to see the city follow up on the idea of a tree farm.

Agenda Items

A. Hieb reviewed the Clubhouse Report. Heib reviewed the revenue report, noting 40 new members, this is just through March and I expect to pick up quite a bit more

to come in through April. Advertising revenue was billed differently last year due to covid, however, we will be sending out letters that advertising billing will go back to the regular billing cycle. Things are busy and will continue to get more so.

- B. Gunnare reviewed the Superintendent Report. Garden plots are steadily selling, with only 37, spots left available. Year to date we are at twenty-five burials. We have cremation services that re being set up throughout the summer. For now we are done with tree removal because the ground got soft on us. Getting ready for stump grinding by cutting stumps down and servicing the grinder. We will take care of the cemetery stumps before moving on to the golf course. The motor mounts needed to be replaced on the pay loader, parts are not easy to find and the closest ones have to be modified to make them work. Golf course is doing well, turned on the irrigation the week before the rain as things were starting to dry out. We had some technical issues and a leak. Rain bird ran and update on the computer before startup and I got set up so I can monitor and alter the system from my phone. We will need to update the control system in 2022 budget cycle. The driving range control system is also out date, it still runs but if we have problems, they will not have components to fix the system. Been in contact with Mr. Norby, he will be doing a site visit on April 27th. Included on that day we will have a public input session. Gunnare informed the Board he was contacted by the family of a member who recently passed away requesting a refund, noting he feels they should receive a refund of membership plus cart. Powell noted there is no policy currently in place for this. After a brief discussion Motion Johnson, second Schlimgen to formulate a policy for refund requests of deceased members, to be prorated based on the four quarters of the golf season running March through October. Motion approved and carried.
- C. Gunnare informed the Board there currently are no donor guidelines for the golf course or cemetery, noting he would like to keep it to benches and trees, with no plaques placed in the ground. Powell reviewed with the Board the park & rec donor guidelines, draft example of golf/cemetery donor guidelines and the resolution adopting a naming policy for the City of Mitchell. After a lengthy discussion the Board directed Gunnare to bring each request to the Board along with Recommendations, but there is to be no placement of plaques in the ground or in front of a tree.
- D. Gunnare presented an addendum to the agreement with Norby Golf Course Design, Inc. Noting after Norby received all of the information we sent they would need to digitize all of it thus; it will add an extra expense of \$900.00. After a brief discussion Motion by Johnson, Second by Schlimgen to approve the addendum to the Norby Golf Course Design, Inc. agreement as presented. Motion approved and carried.
- E. Gunnare informed the Board he received a quote of \$10,000 for updating the driving range dispenser software. Gunnare stated when talking with the company he informed them he did not have funds in the current budget cycle and they stated they would honor the quote they gave, so will be looking to put that in the 2022 budget cycle.

There being no further business the Board adjourned at 6:52 PM, noting May 10, 2021 at 5:45 PM as the date of the next regular meeting of the Golf/Cemetery Board.

Golf / Cemetery Board Report

May, 12th 2021

Superintendents Report

Cemetery

We had 17 DWU golfers out for their service day on the 4th. They picked up garbage out of the alfalfa field, and then raked and picked up sticks in the cemetery. They did a very good job and it was great for getting ready for Memorial Day. We are getting ready for Memorial Day by packing and seeding graves, and other projects. Irrigation will get charged this week. We will start weed eating next week when we have more staff. Working on mapping and cemetery expansion details for this year and what we need to ask for in 2022. Community gardens has 23 spots available yet. We opened the gardens on the 27th of April.

Golf

Have had some issues with irrigation so far that I'm still trying to work through. There is an electrical issue in the 15, 16 area that just takes time to devote to tracking it down. Kevin has helped with some trouble shooting. It is just a lot of running back and forth and with two people it makes it easier. I've got some of the issues fixed and narrowed down, but just have not pin pointed all of the issues yet. There is still a break in line in #9 rough yet, will get to that and hopefully get that line operational again. There is an issue with the cooling system in the pump house that also needs attention. I got the greens fertilized for the first time this week. Will be concentrating on weed control when I get more staff, and Mother Nature cooperates. I am going to try to do pre-emergent applications this week. With dealing with everything else this may be a challenge this year.

There has been an offer to donate a TV on the patio on the east side of clubhouse. Custom Touch Homes would pay for the TV, and any electrical work to be done. They also agreed to put one in the north enclosed patio also. This will work out great for scoring. They want to have a sign saying donated by Custom Touch Homes. Harry Hilton family has also agreed to go forward with the donation of a bench. We are working out the details on what hole to put it on.

Most of the seasonal staff started today. I am anticipating that we will be mowing on more of a regular schedule this week also. It will be great to have them on board, but that also means more training and supervising. Getting into the season it will be very difficult for me to keep up

on all my duties while still keeping track of the staff. With the seasonal staff time limitations it has made it very interesting on scheduling. I will have to use Aaron and Scott to help from time to time just to get by. They have been very helpful, and understanding about the situation. When I have asked them for help on a project they jump right in. Kenny Skinner has also stepped up to go above and beyond. As I stated above Kevin has also helped out from time to time. Nathan and Angel have helped with some of the administration side of things also. Through the end of last year we got lucky without any major breakdowns. Hopefully that continues through this season. The only reason why we are getting by without a second full time staff member at the golf course is because we are prioritizing the things we are doing. Most people probably do not realize some of the things that we are not doing, but eventually these things will start to show. We are doing the best that we can with what we have to work with.

Respectfully

Jason Gunnare Superintendent

Golf / Cemetery Department
