Variance: Darlene Buhler has applied for a sideyard variance of 1-foot vs 3 feet as required to construct a detached garage at 508 E 6th Ave, legally described as Lot 9 & E 10 feet of Lot 8, Block 5, Burr's Addition, City of Mitchell, Davison County, South Dakota. The property is zoned R2 Single Family Residential District.

The owner and contractor Tyler Miiller was present to answer questions. The commission reviewed written comments from the neighboring property owners. The public notice was published in the Mitchell Daily Republic on June 29, 2018 and letters to the neighboring property owners were sent on June 27, 2018. The owner would like to preserve the view of windows in the rear of the house and retain more property for a back yard. The new neighbor to the west is agreeable and supports the variance request. Miiller indicated the garage will be 6' from the house. Putnam reminded the commission that in the past the city has required a maintenance agreement from the neighbor. Miiller was asked about drainage and he responded that water will come off east and west and he will install gutters to direct the water to the alley. Hegg said there may be a requirement to install a fire wall and have no penetration on the west wall. Motion by Jirsa seconded by Molumby (he stated the 2nd is only for the purpose to insure the applicant have a vote) to recommend approval of the variance to the

Board of Adjustment with three stipulations; 1) gutters be installed and run-off be directed to the alley, 2) a 3 feet maintenance agreement be signed and recorded on the west property, 3) A fire wall or other requirements per building code. Roll call vote: Quenzer no, Jirsa yes, Osterloo no, Molumby no, Larson yes, Fergen absent. 2 yes, 3 no, 1 absent, the motion lost.

Conditional Use Permit: Tammy Miiller has applied for a conditional use permit to operate a family residential child care center in her home at 506 W Birch Ave, legally described as Lot 6, Block 12, Railroad Addition, City of Mitchell, Davison County, South Dakota. The property is zoned R2 Single Family Residential District.

The applicant was not present. No written objections were received. The public notice was published in the *Mitchell Daily Republic* on June 27 & July 5, 2018 and letters to the neighboring property owners were mailed on June 27, 2018. The applicant has passed a fire inspection. Motion by Molumby, seconded by Osterloo to recommend the Board of Adjustment approve the conditional use with two conditions; 1) the permit is non-transferable, 2) if the business stops for a period of six-months or longer then a new permit is required. All members present voting aye, motion carried.

Conditional Use Permit: Dustin & Nichole Sullivan have made an application for a conditional use permit to construct a facility to provide outside commercial storage, outside storage, and a self-service storage facility on their property locate at 40822 256th St, legally described as Lot 6, Kangas Addition, SW ¼ of Section 31, T 103 N, R 60 W, Davison County, South Dakota.

The applicants were present to answer questions. The commission reviewed the written comments. The public notice was published in the *Mitchell Daily Republic* on June 27 & July 5, 2018 and letters to the neighboring were sent on June 27, 2018. Putnam reminded the commission that the council approved amending the zoning code to provide such uses as a conditional use in the UD Urban Development District. The commission inquired about drainage. The applicant indicated the runoff will be directed to the north. The applicant said that Spencer Quarries has commenced gravel mining on the property to the north. It was noted the Semmler property opposes the permit. Motion by Jirsa, seconded by Osterloo to recommend the Board of Adjustment approve the conditional use permit with the condition the drainage be routed north. Roll Call vote; Larson yes, Jirsa yes, Molumby yes, Osterloo yes, Quenzer no. Motion passes 4 yes 1 no 1 absent.

Plan Approval: Klockwerks Addition, 915 S Kimball, Zoned Highway Oriented Business District. Representatives of Klockwerks were available to answer questions about the project. Motion by Jirsa, seconded by Molumby to approve the plan. All members present voting aye, motion carried.

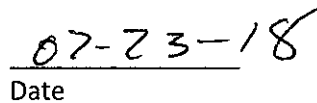

Discussion/Action: Proposed EMC Billboard in Westwood Addition, Highway By-Pass.

Chuck Mauszycki Sr. and Christine Mauszycki of CJM Consulting presented to the commission a proposal to install a 10 x 30 Digital Electronic Message Center Billboard on the west side of the Highway 37 By-Pass. The property is zoned Highway Oriented Business District (HB). Representatives of Daktronics were also available to provide answer questions of the commission. Putnam provided the commission highlights of the sign ordinance that says these type of signs must meet has size and height requirements and shall be 300 feet from the property line of a park and schools. It appears this proposal would comply with the existing ordinances. However, when the by-pass was installed in 1994, the city

had an 'understanding' that billboards would not be on the new highway. In 2000, a request for installation of billboards was denied. Putnam reminded the commission that this road is also a state highway and may be subject to state regulations and laws. CJM Consulting provided the commission a summary of the existing development along with proposed additional projects. Don Petersen, Attorney for CJM Consulting, also provided some additional comments in support of this proposal and noted that much has changed in the area since the installation of the by-pass. Roger Brown of Daktronics talked about the technology of the signs, specifically about the timing of between messaging and automatically adjustments due to outdoor conditions. It was suggested by the commission that amendments to the sign code be adopted to control the spacing and other controls to prevent undesirable 'clutter' on this road. CJM Consulting, seemed receptive to such proposals. City Attorney Johnson stated that no further action would be necessary from the commission on this topic and that following the sign permit process would be sufficient. It was suggested that the proposed site be measured to insure compliance. No action taken by the commission.

Chairman Larson adjourned the meeting at 1:10 pm.
