

## **2022 Men's GPS Spring Newsletter**

The tournament schedule is available on the Lakeview website. 37 potential tournament events are planned to this point. Please periodically check back during the season for changes and updates.

Each course is responsible for how they choose to run their tournament. The only tournament that GPS runs is the Tournament of Champions tourney on September 21 in Mitchell.

Go to the Lakeview website for results from each tournament.

Qualification and rules for the Tournament of Champions can be found on the Lakeview website.

Senior tournaments have become very popular. Some tournaments have team limits. Be sure to sign up early to make sure you get into the tournament of your choice.

In 2021 a GPS Hall of Fame was established. Wayne Bartlett of Scotland and Mike Conklin of Beresford were the first inductees. Both of these gentlemen have been instrumental over the years with the development of senior golf tournament schedule that we enjoy today.

Dawson Creek Golf course in Scotland is the home for the HOF. If you get a chance stop by the course to see the nice display they have.

One area of concern that occurred several times during the 2021 season was slow play. Most golfers agree that slow play is UGLY. Please be mindful of your fellow golfers and play ready golf as you play tournaments this season.
